C. Arthur Esq
Inspector General &c

Dear Sir. Mr Foster showed me some time since a letter from you in answer to an application of his for a situation, In consequence of the call by the Government for more Troops I thought it likely that you might give him a place, could you do so you would very much oblige him, and Mrs Bull and myself would esteem it as a personal favor.

Hoping that it may be in your power I remain your old friend

S. C. Bull

Any letter to Mr F may be directed to my care.
