Recd Septr 17th 1862.

109 & 22 St
New York Sept 16 1862

Dr Sir,

I am unwilling to yield my desire for a "field" position without at least one more attempt. and since I had the honor of receiving from you a promise to assist me in this direction I apply to you with the more boldness and confidence

In so many new Regiments there must be an opportunity for me and which a note of introduction from you to
