## Medical and Dental and Physician Assistant Students

### AMEDD Student Recruiter Program

*Receive Full Military Pay and Entitlements while attending college*

A new initiative now makes it possible for Medical, Dental and Physician Assistant students to receive full military pay and entitlements **while** attending college on a full-time basis. This is in addition to the \$75,000 Accession bonus, \$50,000 Student Loan Repayment Program for qualifying loans and over \$1,800 a month STRAP upon completion of Medical school

Selected applicants must meet the qualifications and be appointed as a Medical or Dental Student in the ARNG (second Lieutenant). Maintain good academic standing and have a firm, unconditional acceptance in an accredited professional school leading to a degree in allopathic medicine (MD), osteopathic medicine (DO), dentistry, (DDS or DMD) or Masters level Physician Assistant studies.

**Act now:** Limited authorizations are available. Call today to discuss specific program details, obligations, and duties associated with this fantastic opportunity.
