

Camp Smith Training Site Parking Areas

-  - POV Parking Areas
-  - Military Vehicle Parking Areas
-  - Long Term/Overnight Parking

Please do NOT park on the grass, along roads or in other unauthorized locations, this inhibits MOV, commercial and emergency vehicle movement.

There is additional authorized POV parking in Lot E behind building 508/VOQ and in Lot F by the ACP.

If parking over night please use designated areas, this facilitates snow removal and lot maintenance

Thank You
