THE MOYER FOUNDATION
Helping Children to Thrive

Camp Erin is named in memory of the Moyer's friend, Erin Metcalf, a remarkable young woman who died of cancer at the age of 17. Erin had a compassionate heart and often expressed concern for how children would cope after the death of a loved one.

Karen and Jamie honored Erin's memory and caring spirit by establishing the first Camp Erin in Everett, Washington in 2002. Camp Erin has grown to become the largest network of bereavement camps in the country, including a camp in every Major League Baseball city.

The Moyer Foundation is a public 501(c)(3) non-profit organization founded in 2000 by World Series Champion pitcher, Jamie Moyer and his wife, Karen. The mission of The Moyer Foundation is to empower children in distress by providing education and support - helping them to live healthy and inspired lives. In addition to community-funded grants, the Foundation created and funds two signature initiatives— Camp Erin* and Camp Mariposa*—a free, first-of-its-kind program for children ages nine through 12 who are impacted by addiction in their family.

Camp Erin can help

"Camp Erin helped me learn about grief and ways to help calm myself, on my own. I did all of this, AND I had fun." - girl, age 12

NEED

• 1.5 million children are living in a single-family household because of the death of one parent. One out of every 20 children age 15 and younger will suffer the loss of one or both parents*.

- US Census Bureau

• Grieving children are at a much greater risk than their peers for depression, suicide, poverty and substance abuse.

IMPACT

Camp Erin makes a profound difference in the lives of grieving children by increasing levels of hope, enhancing self-esteem and by providing positive coping skills.

CAMP ERIN ALLOWS YOUTH TO:

- Tell their story in a safe environment
- Process grief in healthy ways
- Meet friends facing similar circumstances
- Learn they are not alone
- Build a toolbox of coping skills and resources
- Remember, honor and memorialize those who have died
- Have fun!

* These statistics don't account for the number of children who lose a "parental figure," such as a grandparent or other relative that provides care.

"Camp Erin helped me realize that it's okay to talk to people about my loss. And it's okay to grieve." - girl, age 15
