Do you have school-aged children who play sports?

Or do they take dance, music or arts classes?

Maybe they would they like to try something new... like Karate?

Could your child benefit from a tutor to stay at grade level?

If the answer is **YES** to any of these questions,  
Our Military Kids grant program may be able to help.

Our Military Kids pays the fees for children of deployed Reserve and National Guard to participate in youth sports, fine arts, and tutor programs. This is a way of recognizing the sacrifices the entire family is making while the soldier is deployed overseas.

It is simple to apply to the program. . .

Just fill out the attached application. Send it in with a copy of the deployment orders and a flyer or other information that lists the activity and the fee for the activity. The child is limited to one grant for one activity. Grant will cover up to six months of instructions, lessons, tutoring with maximum award of \$500.00 per child.

If everything is in order and if funding is available, within two weeks a check will be sent to the organization and the child will be notified of the award.

# While you're \*\*\* deployed...

Finding and paying for child care can be a challenge.

## Operation: Military Child Care

can help YOU!

## Operation: ★★★★★★★★ Military Child Care

### Operation: Military Child Care

is a Department of Defense (DoD) initiative to support the child care needs of parents who are **activated/deployed**.

### WHY is Child Care needed?

When military parents are **activated/deployed**, their needs for child care often increase and so do their **out-of-pocket** child care expenses.

### HOW does Operation: Military Child Care support activated/deployed parents?

- ★ Helps eligible families locate child care options in local communities
- ★ Reduces child care fees for eligible families who are already using licensed or legally operating community child care programs and providers

### WHO is eligible to participate?

- ★ Families/Child Guardians of National Guard & Reserve Service Members who are **activated/deployed**
- ★ Families/Child Guardians of **deployed** Active Duty Soldiers, Sailors, Airmen, and Marines who are unable to access child care on military installations are eligible during the deployment period and for **60 days** after the return of the Military Parent

#### Note:

The fee assistance program is intended to help support military spouses' employment, education, or special medical circumstances. Fee assistance will only be provided to single military families, dual military families, and military families with a spouse who is working or enrolled in school. It will also be provided to military families where the spouse is looking for work for a period of up to **60 days**.

### HOW much will child care fees be reduced?

Fee assistance will vary for each family depending upon total family income, location, DoD child care fee policies, and available funding.
