What is the Strong Bonds program?

Strong Bonds is a chaplain-led program for commanders which builds relationship resiliency. The Strong Bonds mission is to increase Soldier and Family readiness through relationship education and skills training.

Four Strong Bonds programs applied to the Army Force Generation cycle help Single-Soldiers, Couples and Families to thrive in the turbulence of the military environment.

Attendees voluntarily participate in a Strong Bonds offsite retreat format designed to maximize relationship training impact. The retreat or “get away” provides an emotionally safe and secure training environment in which to address the effect of military lifestyle stressors.
