Encl: (1) New York Naval Militia Uniform Regulations

1. Purpose. To define New York Naval Militia (NYNM) uniform policies and provide regulations for the proper wear of the uniform, in accordance with references (a) through (f).

2. Cancellation. This instruction supersedes NYNMINST 1020.1A of 16 AUG 12.

3. Background. The nature of the Naval Militia force, made up largely of three separate federal components with different uniform requirements, poses a special difficulty for force uniformity. Each of the three maritime services (U.S. Navy, U.S. Marine Corps, and U.S. Coast Guard) has established comprehensive uniform regulations for its respective force. These regulations form the basis for the wearing of uniforms in the New York Naval Militia.

4. Policy and Direction. The policies and direction for uniform wear by New York Naval Militia members are found in enclosure (1).
