MICRONESIAN SEMINAR
P.O. Box 160
Pohnpei, Federated States
of Micronesia 96941

Dear Readers:

In June of 1994, the Office of the Resident Representative to the United States published the booklet entitled, *In Remembrance and Honor of the Brave U.S. Servicemen Who Made the Ultimate Sacrifice in the Marianas Campaign During WWII*. Since that publication, we have acquired several names from dog tags that were found by individuals on Saipan, plus an additional 20 names brought to our attention by a member of the United States Army Air Corps of the 7th Fighter Command Unit stationed on Saipan during the war. Their participation in the Marianas Campaign was not recorded in our first edition.

We have received good feedback over the past two years about the first edition. This is the only book of its kind which compiles listings from government agencies and various organizations of those killed in action in the Marianas during the war. Copies have been sent to the President, Vice President, the Pentagon, Department of Veterans Affairs, Army and Marine Associations, Archives in the DC area, and all national veterans organizations. We have included some of the responses received from these places in this supplement.

The greatest significance of this booklet is that it memorializes the brave service of these men whose lives were lost in the war. Family members will look at this publication and remember-and know that others also will remember-the ultimate sacrifice their love ones made for our country. This is our goal. We owe a deep debt of gratitude to these men. We must never forget.

Dangkulu na si Yuus Maase.

Sincerely,

JUAN N. BABAUTA
Resident Representative

Acknowledgement

The Commonwealth of the Northern Mariana Islands, Office of the Resident Representative to the United States, recognizes the hard work and dedication of Mr. Alejandro M. Falig in compiling the names of United States Servicemen of the 2nd and 4th Marine Divisions, and the Army 27th Infantry Division killed in action during World War II in the Northern Mariana Islands, and the Battle of the Philippine Sea.

Between 1992 and 1993 Mr. Falig extracted the information from the Navy Annex, Arlington, Virginia, the Washington National Record Center, Suitland, Maryland, and the Marine Corps Historical Center, Washington, D.C. This pamphlet also acknowledges the assistance of the staff at these archival centers.

Listing of the Navy Servicemen killed in action were subsequently extracted from records examined in 1994 at the Naval Historical Center, Operational Archives Branch, Washington, D.C., by Ms. Remedio N. Magofna, also a staff of the Office of the Resident Representative.

I would also like to acknowledge a debt of gratitude to Ambassador F. Haydn Williams of San Francisco, California for his generous donation of the Bell Tower and Carillon. This beautiful memorial is part of the American Memorial Park and inscribed:

Into Thy Hands O Lord
This Carillon Is A Gift From Ambassador F. Haydn Williams To All The People Of The Commonwealth Of The Northern Mariana Islands, In Memory Of The Devotion And Valor Of Those Young American Marines, Soilders, Sailors, And Airmen Who Gave Their Lives In The Liberation Of These Islands, And To The Innocent Chamorros And Carolinians Killed During The World War II Invasion And Battle For Saipan In June And July 1944.
May The Sound Of These Ringing Bells Be A Reminder Of Our Debt To These Honored Dead, The Noble Cause Of Freedom, And The Eternal Hope Of Mankind For The Peace Among All Nations Of The World.
Dedicated November 11, 1995

Yesterday

ALL ASHORE – Marines dig-in on the beach at Saipan in preparation for the attack on Japanese inland positions. In the background, one of the amphibious tractors used by the first wave of assault troops, burns furiously, the result of a direct hit by Japanese artillery. Official U.S. Marine Corps Photograph.

Today

The Tanapag Harbor is a port of entry for all imports from around the world to meet the consumers needs in the CNMI.

To our readers:

On two seperate occasions this office received requests from individuals in the CNMI to assist them and locate two former marines that fought in the Battle of the Marianas Campaign. The intent of this search is to return dog tags that were found on the island. We have called the 2nd and 4th Marine Division Associations to locate the two individuals and weren't successful. However with the assistance of the Leatherneck Magazine in Quantico this office has placed two ads in the Lost and Found pages of August and September 1996 issues. To this day, we are still searching for Mr. Robert P. Beckett, and Mr. James S. Ferguson to return their dog tags. If you have any information as to the where abouts of these two gentlemen, please contact our office and we will make the arrangements for the return of the tags.

Dear Mr. Babauta:

Reference is made to your letter of September 3, 1996.

2LT Robert L. Cumpstone was among those members of our Armed Forces of World War II who were missing in action, lost or buried at sea. In accordance with our government's program of honoring the memory of our War Dead whose remains were not recovered or identified, his name was permanently inscribed on the Tablets of the Missing of the Honolulu Memorial, National Memorial Cemetery of the Pacific, Honolulu, Hawaii. (Please note the spelling of 2LT Cumpstone's name as Cumpstone rather than Crumpstone as shown in your letter.) Information concerning the memorial may be found on the pages of the enclosed pamphlet. At the time of his death, August 8, 1944, 2LT Cumpstone was a member of the 73d Fighter Squadron, 318th Fighter Group.

This Commission's "Register of World War II Dead Buried or Commemorated on Foreign Soil" does not contain a listing for 2LT Louis G. Greek, as shown in your letter. However, the unit report which was enclosed with your letter showed 2LT Greek's name as Carson L. (A copy of the report is enclosed.) Therefore, the records of the Department of the Army (U.S. Total Army Personnel Command, TAPC-PED-F, 2461 Eisenhower Ave. Alexandria, VA 22331 were searched on your behalf. The "Register of World War II Dead" maintained by that organization revealed that following the war, the remains 2LT Carson F. Greek, 0810356 were repatriated to the United States for interment in the Nashville National Cemetery, Nashville, Tennessee.

If we may be of any other service, please let us know.

Sincerely,
