Save Money on EYEGLASSES

Prescription eyeglasses can be expensive. Your FEDVIP vision plan can help you pay for them, and most plans cover about $140 on a pair of frames. But with designer frames priced at hundreds of dollars, and lens options such as progressives and Transitions® costing even more, consider another Federal benefit that can help make eyeglasses even more affordable.

Thousands of Federal employees save on eyeglasses by using FSAFEDS. With FSAFEDS, the income you spend on eyeglasses and many other health care expenses is tax-free. Not paying taxes on the money you spend at your eye care provider, for most employees, is like getting a 30% discount on eyeglasses.

Braces are expensive. Your FEDVIP dental plan can help you pay for them, and most plans cover about 50% of the cost on average, up to a maximum of about $2,500. For the other 50% and anything over $2,500, consider another Federal benefit that can help make braces even more affordable.
