

**TABLE 4
PLAN TERMINATING OPTION AND ENROLLMENT CODES**

Enrollees in the plan’s terminating option will be automatically deemed and enrolled into their plan’s remaining option that is identified in the table below unless they enroll in another plan during Open Season.

State	Plan Name	Terminating Options (end of 2014)	Terminating Codes (end of 2014)	Deemed Option and Codes for 2015
New York	HIP of NY	Standard Option	514, 515	511, 512 High Option

Unless the enrollees switch to another plan during open season, current HIP of NY Standard option enrollees will be automatically enrolled in HIP of New York High option, codes 511 and 512.

Please refer to Table 5 for details on the HIP of NY’s remaining High option for 2015.

**TABLE 5
PLAN CONTRACT AND ENROLLMENT CODE MERGER WITH TERMINATING ENROLLMENT CODES**

The payroll office must automatically move enrollees into their plan’s surviving 2015 codes unless the enrollees select another health plan during Open Season.

State	2014 Plan Name	Terminating Plan Codes (2014)	2015 Surviving Plan	2015 Surviving Codes
New York	GHI HMO	6V1, 6V2 X41, X42	HIP of NY	511, 512

GHI HMO is merging with HIP of New York for contract year 2015. HIP of New York will be the surviving plan and it will have one option. HIP of New York will terminate its Standard option leaving the High option as the only option under HIP of NY for 2015. Contract CS 2655 (GHI HMO NY) will terminate for contract year 2015; therefore, these plan codes are being merged into contract CS 1040 (HIP of New York). Unless the enrollees switch to another plan during open season, current GHI HMO enrollees will be automatically enrolled in HIP of New York High option, codes 511 and 512.

Please see Table 4 for details on HIP of NY’s termination of the Standard option (514, 515).

Please see Table 11 for the service area expansion for HIP of NY High option (codes 511 and 512).
