## Diesel Mechanic – Heavy Duty Construction Equipment

**The Port of Coeymans** is accepting applications for a Diesel Mechanic. Duties include the routine maintenance, diagnosis and repair of primarily heavy-duty construction and related equipment. The successful applicant will have verifiable experience in the field, as well as their own set of tools and reliable transportation. We are seeking a motivated, self-starter, able to work independently under minimal supervision.

Training in Diesel Mechanics, either at a trade school, BOCES, or college program preferred.

Schedule to be discussed upon interview.

Hourly wage will be based on experience and qualifications. We offer a competitive compensation package including generous hourly wage, health insurance, 401k with substantial match, group life insurance, paid holidays, paid vacation time. Dental, Vision and AFLAC also available.
