

Join the OMH Psychiatric Nursing Team

We are hiring Registered Nurses committed to public service and compassionate caring.

As an OMH nurse, you would provide individualized, comprehensive and recovery oriented services built on principles of effective, measurable and accountable care. You would work in diverse settings – inpatient, outpatient, emergency, residential, community, family care, and research - and with varied populations – adults; children and adolescents; and forensically involved individuals diagnosed with serious mental illness or emotional disturbance.

The New York State Office of Mental Health (OMH), recognized as one of the best mental health hospital systems in the United States, operates the single largest state mental health system in the country with 22 Joint Commission accredited hospitals, 90 clinics, two world-class research institutes, and diverse community services.

Our facilities are located in all regions of New York State and offer diverse and varied experiences and adventures year round to suit every taste. In addition, employment with OMH provides attractive benefits, professional development opportunities, and career mobility and relocation options within the OMH system:

- Competitive salaries with additional salary enhancements based on work location/title/shift
- Paid vacation, personal, and sick leave
- Medical, dental, and vision insurance plans and prescription drug coverage
- Health Care and Dependent Care Flexible Spending Accounts
- New York State Retirement defined-benefit pension
- OMH sponsored Nurse Development Program and additional education/training opportunities

Apply today!
