

# Embrace the challenge

Redefining what's possible is never easy.  
Are you up for a challenge?

At Amazon, thousands of veterans and military spouses are driving innovation and raising the bar on customer experience. On a daily basis, they apply knowledge, skills, and leadership abilities in a wide variety of careers, influencing change across the globe.

A career change from the military to a civilian role at Amazon is a natural transition thanks to the robust programs offered to help employees succeed, including a vast internal network of veterans providing mentoring, learning, and support.

"We actively seek leaders who can invent, think big, have bias for action, and deliver results on behalf of our customers. These principles look very familiar to men and women who have served our country in the armed forces, and we find that their experience leading people is invaluable in our fast-paced work environment."
