Military Teen Adventure Camps 2012-2013

Nearly 1600 military teens (14-18 years old) will have an opportunity to participate (at little to no cost) in adventure camps scheduled April 2012 through March 2013. These high energy, high adventure, and high experience camps are planned across the United States from Alaska to Maine and from Colorado to Georgia as well as states in between.

Each camp offers a unique outdoor experience that will allow a teen to build leadership, self-confidence, and teamwork skills while participating in activities like backpacking, river rafting, canoeing, wilderness survival, rocketry, rock climbing, GPS use, mountain biking, first aid, winter camping, dog sledding, ropes courses, camp cooking, archery, and other camp activities.
