

MAY IS MILITARY SPOUSE APPRECIATION MONTH

I wear no uniforms, no blues or Army greens.
But I am in the Military in the ranks rarely seen.
I have no rank upon my shoulders, salutes I do not give.
But the military world is the place where I live.

I'm not in the chain of command, orders I do not get.
But my spouse is the one who does, this I cannot forget
I'm not the one who fires the weapon, who puts my life on the line.
But my job is just as tough. I'm the one that's left behind.

My spouse is a patriot, brave and prideful,
the call to serve our country, not all can understand.
Behind the lines I see the things needed to keep this country free.
My spouse makes the sacrifice, but so do our kids and me.
I love the one I married, Patriotism is our life
But I stand among the silent ranks known as the military husband or wife.

Power 4 Vets is a program that trains people to enter the energy management industry. Careers as a full power system operator will typically have salaries in the \$60,000 - \$100,000 range depending on the utility. The program is online and FREE to vets. If you have anyone looking to transfer into an in-demand field, please pass this info on to them.
