This year's workshops are open to Air and Army National Guard Volunteer and Youth. These workshops meet the annual requirements for training to make an FRG Green. The theme for the Workshop this year is **"Health and Wellness."** During the General Session, we will have guest speakers and discuss topics of interest to the NYNG. The Workshop will include volunteer annual training sessions, an awards ceremony to recognize our adult and teen volunteers, youth/teen training, and a Question and Answer panel. There will also be a Provider Forum for you to meet with some organizations that support Military Families.

The NYNG Youth (ages 6-18) will be attending an off-site facility for a one-day event. For children that are between 0-5 years old, childcare will be provided at the Workshop hotel. To reduce the travel burden on our attendees we will be hosting two identical Workshops.
