2019 OFFICIAL MATCH PROGRAM

48th WINSTON P. WILSON CHAMPIONSHIP

&

28th ARMED FORCES SKILL AT ARMS MEETING

HOSTED BY
THE NATIONAL GUARD
MARKSMANSHIP TRAINING CENTER

Box 11, Building 4904, Maryland Avenue
Camp Joseph T. Robinson
North Little Rock, Arkansas, USA 72199-9600

WPW 07 – 11 April 2019
AFSAM 02 – 12 April 2019

15 January 2019
MEMORANDUM FOR Participants of the Winston P. Wilson Small Arms Championship and Armed Forces Skill at Arms Meeting

SUBJECT: Commander's Welcome to Competitors and Guests

1. On behalf of the entire staff of the National Guard Marksmanship Training Center (NGMTC) and the Arkansas National Guard, welcome to Camp Joseph T. Robinson. I sincerely appreciate that you have taken the time and interest in joining us to participate in this prestigious marksmanship competition. You will test your marksmanship skills against some of the finest military marksmen in the world. There are no greater formats in which to evaluate your professional ability with small arms than competitive events like the Winston P. Wilson Small Arms Championship and the Armed Forces Skill at Arms Meeting. These marksmanship sustainment training events have a remarkable history and foster a tremendous spirit of competition and camaraderie across the nation and around the globe. The NGMTC Staff and Marksmanship Advisory Council (MAC) Representatives have done their utmost to develop a combat-orientated, competitive marksmanship event that is exciting, challenging, and both physically and mentally demanding.

2. My goal is for each participant to leave this match having validated perishable marksmanship skills, while enforcing the lessons learned with fellow service members to ensure the success of future military operations.

3. I encourage each of you to consult with my staff on any issues that may arise. Once again, welcome to the National Guard Marksmanship Training Center. Good luck and best wishes for a successful and enjoyable championship match.

MARTY P. CURTRIGHT
COL, IN, ARARNG
Commanding
KEY CHANGES AND NEW ITEMS

1. Match PI 2030 Combat Pistol Barricade Match. The match has been reformulated to emphasize dominant and non-dominant one handed firing.

2. Match RI3020 Reflexive Fire Match. This match has been reorganized back to the historical organization of 2 stages (mirrors PI 2250).

3. Match RT3130 The Falling Plates. This match is now a stand-alone match, which means it will NOT be rolled up into any aggregate score for Overall Rifle Team Trophy or All States Trophy.

4. Stage Starting Position and Follow up Engagement Position, Rifle. The stage starting position is now the LOW READY for all matches. After the initial exposure, the competitor will return back to the LOW READY position WITH SAFETY APPLIED and wait on the next command to fire. The competitor will repeat this process until the stage is complete. (see Annex D, appendix 6, 2.a.)

5. Follow up Engagement Position, Pistol. After the competitor has drawn from the holster and fired the first exposure shots, the competitor will assume the READY position, weapon on FIRE and wait until the next command to fire. The competitor will repeat this process until the stage is complete. (see Annex D, appendix 6, 1.b.)

6. WPW Individual Classifications. The shooting disciplines to classify a competitor as an “Open” participant have greatly expanded to better capture major shooting disciplines. This is to ensure that “Novice” participants are just that, not professional or world class athletes in competitive shooting disciplines not recognized in previous years. (see Annex B, appendix 1, 4.a.)

7. COACHES: As defined in TC 3-22.9 appendix E, paragraph E-25 thru E-30. Each team is authorized a coach for team matches, NOT paper team matches, authorized team matches for coaching are: RT3170, RT3130, RT3180, CT5110, RT3120, PT2100, RT3195, CT5120, RT3600 and CT5160.

8. M17/M18 Pistol. Any competitor who’s unit has M17/M18 pistols assigned can compete with them. (see Annex D, appendix 1, 2.b.)

Changes from 2018 that are still in effect

1. At the time of publication for this match program, the updated AR 350-66 Competitive Marksmanship has not been signed. With its final approval, and only after it has been approved, the decision will be made to fire the Combat Rifle EIC Match (RI3210) with specified optics. Until then, competitors must be prepared to bring iron sights or an additional upper receiver to be able to fire this match. A separate announcement and change document will be published as soon as this Army Regulation has been approved.

2. The selection of authorized military optics have been reduced to only 3 pieces of equipment due to the pending changes in rules for competition in the AR 350-66 (reference #1 above). (see Annex D, appendix 1, 2.c.)

APPENDIX 2 - ADMINISTRATIVE INFORMATION

1. PURPOSE: The Winston P. Wilson (WPW) Championship and the Armed Forces Skill at Arms Meeting (AFSAM), conducted by the National Guard Marksmanship Training Center (NGMTC), are annual events to promote marksmanship training. These championships offer service members from the National Guard and international community an opportunity to test marksmanship skills and weapon systems in a battle focused environment.

2. MATCH OFFICIALS: The Match Director is COL Marty Curtright; the Deputy Match Director is Lt Col Todd Stuff, WPW-AFSAM Officer-In-Charge is MAJ S. Kirk Freeman.

3. DATES/LOCATION: The matches will be held at Camp Joseph T. Robinson, North Little Rock, Arkansas.
   a. AFSAM: 02 – 12 April 2019 (int'l may arrive as early as 29 Mar and depart not earlier than 12 Apr 2019)
   b. WPW: 7 - 11 April 2019 (prior travel on 5 April must be pre-approved) 06 April is the authorized travel day. Early departure only authorized by the Match Director.

4. MATCH HEADQUARTERS: Match Headquarters is located in the NGMTC Administrative Building (#4904), Maryland Avenue. Phone number (501) 212-4500 commercial or DSN 962-4500.

5. Physical Screening: Participants must be medically screened prior to arrival at Camp Robinson to ensure that they are medically qualified and physically fit. Service members are not allowed to participate in violation of a physical profile. It is the individual’s responsibility to ensure they are physically capable and authorized to compete and participate in the event. The commander of the NGMTC may not allow service members who are deemed a health risk to themselves or others to participate.

6. Match/Course of Fire Numbering System: All matches and courses of fire are labeled in a way to discern what type of match it is. The first number designates the weapon system discipline and the second number designates individual, team event or EIC event.

   (1) PI20XX – Pistol Individual
   (2) PT21XX – Pistol Team
   (3) PI22XX – Pistol EIC or Old version of Pistol EIC
   (4) PT23XX – Pistol Team (Paper Match; total combined scores from an individual match)
   (5) RI30XX – Rifle Individual
   (6) RT31XX – Rifle Team
   (7) RI32XX – Rifle EIC or “Old EIC” Rifle Course of Fire
   (8) RT33XX – Rifle Team (Paper Match; total combined scores from an individual match)
   (9) CI50XX – Combined Arms Individual
   (10) CT51XX – Combined Arms Team

7. Scorecards: Scorecards are issued from the NGMTC STATS section during in-processing. Service members must ensure that all scorecards are accounted for during In-processing. Personnel reporting to the range without an individual scorecard are not allowed to participate. It is the participant’s responsibility to verify, sign and turn the scorecard in to the Range OIC upon completion of each match.

8. Team Captain Meetings: Nightly team captain meetings are mandatory. All courses of fire will be reviewed to ensure that any changes are understood and that questions are resolved prior to the match in order to ensure a safe and fair competition. It is also an important forum for administrative information and feedback for the staff.

9. WEAPONS SECURITY: All weapons must be signed in immediately upon arrival at Camp Robinson. Weapons Security at Bldg 7984 will open at 0800, 01 April 2019 and remains open until 1200, 13 April 2019. Teams are not allowed to store weapons at any other location. Weapons are not to be taken from the range complex, stored in vehicles or left unattended. AR190-11 standards must be met at all times. Failure to follow this policy may result in disqualification from the match and removal from the match. Individuals failing to turn in their weapon to Weapons Security by 2000 each day may forfeit their scores for the day. Weapons may not be cleaned in billets. Cleaning may only be done in designated weapons cleaning areas. Individuals are responsible for their own cleaning equipment and supplies. Weapons security will not issue weapons until 0500 on the designated travel day without a signed early departure form from the Match Director or his delegated authority.
10. EMERGENCY CONTACT: Family members who wish to contact a participant during the matches may phone Match Headquarters at commercial phone (501) 212-4500. Camp Robinson Security Police can be reached 24 hours a day at commercial phone (501) 212-5280.

11. FLAGS: International, state, and inter-service teams are encouraged to bring an appropriate flag to display during team matches. NGMTC will provide national flags for AFSAM teams during the awards ceremony.

12. LOCAL WEATHER CONDITIONS: The average high temperature for late March/early April is 64/74 degrees Fahrenheit and average lows are 43/51 degrees Fahrenheit with humidity levels averaging around 80%. Arkansas weather is largely a challenge to predict, so even though temperatures during this time may rise to above 80 degrees, plan for temperate and wet weather during this event. Average wind speed is between 7 and 8 MPH. It is common to have wind, rain, cool temperatures and thunderstorms simultaneously. Be prepared for the worst, and bring serviceable wet weather gear. With sunny weather, competitors may expect 12:45 hours of daylight with sunrise/sunset occurring approximately at 06:50/19:34.

13. VISITING DIGNITARIES: Team captains with visiting dignitaries are responsible for notifying the NGMTC Public Affairs Officer at (501) 212-4565.

14. POINTS OF CONTACT: The following contains a listing of each POC and functional area:

APPENDIX 3 - UNIFORM AND EQUIPMENT

1. UNIFORM:

   a. VIP/Visitors/Observers. Duty Uniform (ACU/ABU) uniforms for military members.

   b. Individual Participants.

      (1) ACU/ABU uniform.
      (2) Headgear for all competitors while on the range is the ACU/ABU patrol cap. (Boonie hats or team distinctive headgear are authorized for wear only while on the range).
      (3) Issued PASGT/MICH/ACH helmets are required for competitors while on the firing line.
      (4) Uniform and equipment must be as issued by parent unit (CANNOT BE MODIFIED).
      (5) The Army Combat Shirt is NOT AUTHORIZED for wear by U.S. military personnel.

2. EQUIPMENT:

   a. Individual load-carrying equipment must be properly worn by all participants. This equipment will be as issued by the competitor’s unit of assignment and must consist of the following items: (Note: a 5 point penalty will be assessed on the individual or team scorecard when it is identified that the minimum gear is not worn)

      (1) Fighting Load Carrier Vest (FLC), LCE, MOLLE Rack, IBA and/or plate carrier system. A battle belt may be used in conjunction with the FLC or LCE, but not as a stand-alone configuration for a load-carrying system.
      (2) Pistol holster (either hip or leg attached) with manual retention device required for pistol matches (note: no cross draw or shoulder holsters are authorized).
      (3) One military issued attachable water source (or civilian equivalent).
      (4) Rifle magazine pouches to contain 4 or more magazines.
      (5) Pistol magazine pouches to contain 4 or more magazines.
      (6) Minimum of 4 pistol magazines and 4 rifle magazines.
      (7) Hearing protection.
      (8) Eye protection is mandatory for all competitors and must be PROPERLY worn. Prescription eyeglasses or standard issue safety shooting glasses will suffice. Safety glasses are not available for issue. Only smoke or clear lenses are authorized.
      (9) Individual weapon systems will be holstered/carried properly during the conduct of the match unless directed otherwise by the tower (both weapon systems are required on the firing line during EIC matches).

   b. Optional Participant Equipment:

      (1) Issued cold/wet weather garments may be worn, including overshoes, ponchos, raincoats and trousers.
      (2) Issued elbow and kneepads are authorized; all protective items must be worn in pairs if issued in pairs.
      (3) Civilian clothing is not allowed for participants during courses of fire or at any part of official competitions.
      (4) The issued poncho, shelter half or the equivalent, can be used as a ground cover or as a firing mat. No other ground sheets or firing mats are authorized. If the stage requires down range movement, the participant must remove the ground cover from the firing point before moving down range.
      (5) As issued ruck/assault packs and other accessory pouches may be used at the discretion of the participant.
      (6) Shooting stools may be used but cannot be taken forward of the assembly line.
      (7) Competitors are authorized to bring 2 uppers for their service rifle. 1 for optics and 1 with iron sights for the EIC match. All uppers must comply with Annex D, Appendix 1 of this OMP. All uppers will be stored in weapons security. Additional uppers will only be issued the day of the EIC Match.

   c. Optical Aids:

      (1) Binoculars and Telescopes: Binoculars (10 power magnification or less) and telescopes (not to exceed 82mm and 60 power magnification for competitors and 100mm for coaches) with stands or rests are allowed.
      (2) Sighting Devices: Altering, covering or modifying eyeglass lenses are not permitted. Eye patches covering the non-firing eye are not permitted. Sighting devices, such as Gehmann clip on iris, Merit adjustable aperture, or Knobloch adjustable shooting glasses, are not permitted. This also includes putting blinders on helmets or glasses.
APPENDIX 4 – MAP

Winston P. Wilson Championship
APPENDIX 1 - WPW ENTRY

1. LETTERS OF INTENT: State Marksmanship Coordinators must forward a team participation Letter of Intent (LOI) NLT 01 March 2019 to a Match Official directly or to the NGMTC Mailbox at ng.ar.ararng.mbx.ngmtc@mail.mil, Subject line “2019 WPW Letter of Intent to Participate” + the STATE. The LOI may be in the form of a simple memorandum or an email from the State Marksmanship Coordinator that declares the intent to participate and the number of teams that are to be entered. Each state must field an “A” team in order to field subsequent teams. States may include a "C" team on their Letter of Intent. "C" teams will be only authorized to participate when open range capacity exists. "C" team opportunities will be prioritized by LOI submission dates. The maximum number of WPW participants is limited to 500 comprising of 128 teams. The Request for Orders (RFO) is the primary form of registration. States may submit LOIs for additional "C" teams until 15 March 2019 cut-off.

   a. Team Composition: A WPW Team will consist of 4 competitors. An "A" teams must consist of a minimum of 50% new shooters. Only the “A” team will compete for team All States Trophy. If a “B” or “C” team meets the 50% new shooter rule, then it will be eligible for team awards, but not the All States Trophy. All teams must be declared during registration. Competitors must fire all matches (individual and team) as a member of a team. In order to participate in training opportunities, competitors that are not members of an “A” team and do not have a complete state team, may be randomly squadded into a composite teams with other individuals. These composite teams are not eligible for any team awards and may compete for “for honors only.” Individuals on these composite or “honors only” teams are eligible for individual awards.

   b. Coaches: As defined in TC 3-22.9 appendix E, paragraph E-25 thru E-30. Each team is authorized a coach for team matches, NOT paper team matches, authorized team matches for coaching are: RT3170, RT3130, RT3180, CT5110, RT3120, PT2100, RT3195, and CT5120. A coach can be a peer coach who is a firing team member from an “A” or “B” team coaching the other team, when squadding allows, or an experienced coach who’s only duty is to coach a state team(s). The experienced coach can coach ALL their state teams or just one team and must be from the same state. There will be NO NGMTC funding for an experienced coach, the state must provide all funding. Coaches must follow all uniform requirements of the firing team members.

   c. Substitutions: Once teams are declared at registration, individual substitutions are not allowed. The only authorized substitutions allowed are for the “A” team in the event of an injury or illness. This condition must be verified by the Troop Medical Center and the Match Director. Team substitutions for a personal emergency requiring a team member to return to home station may be considered on a case by case basis and will be decided by the Match Director. In the event of a substitution, the team must swap shooters of similar status (“old” for “old and “new” for “new”). Team substitutions are not authorized without direct consent from the Match Director/OIC.

2. PRE-REGISTRATION: Individual Request for Orders (RFO) will be used as the match registration form and must be received by NGMTC NLT 15 March 2019 to participate in the event. See Annex B, Appendix 3 for the registration form and instructions.

3. ELIGIBILITY and PARTICIPATION: Civilians, retired military and state militia personnel are prohibited from participating in the WPW Championship regardless of the type of match. All participants must be on orders in a military duty status and wear the appropriate uniform for that service.

4. PARTICIPANT CLASSIFICATION: Individuals and teams are classified based on previous participation in specific matches or national level events.

   a. Individual Classifications: Individual classification is either "Open" or "Novice". A Novice participant is an individual that has never participated (fired a round in any match) at:

   Winston P. Wilson
   U.S. Army Small Arms Championship (All Army)
   National Matches either NRA or CMP (with exception of CMP vintage rifle matches) in any firearm discipline: target rifle/pistol, action pistol, silhouette, etc.
   Inter-service Championships at Fort Benning, GA or Quantico, VA
   National level sanctioned rifle pistol and multi-gun event.
   ISSF sponsored event or any international/world shooting event in any shooting discipline
   Excluding participation as a junior shooter in these events
An "Open" participant is an individual who has participated (fired a round in any match) at the events previously listed.

b. Team Classifications:  Individuals are classified for team participation as either “Old” or “New”. An “Old” shooter is an individual that has fired on an “A” team at the Winston P. Wilson Matches since 2007, and a “New” shooter has not fired on the “A” team at this event.

c. EIC: Eligibility for leg points will be in accordance with AR 350-66 dated 27 August 2012 (Army) and AFI 34-143 dated 21 Feb 2012 (AIR); eligibility standards will not change in the pending regulation update. U.S. military personal participating in the AFSAM will fire the EIC match twice; the first time with irons sights for leg points and WPW scores. For AFSAM scores, the match will be fired again with optics. WPW and AFSAM scores may not be used interchangeably. Participants may walk-on and fire the EIC matches only, as long as registration requirements are met before the individual starts the match. Non-U.S. service members participating in the AFSAM are not eligible for EIC points and are allowed to fire match with optics.
APPENDIX 2 - WPW FUNDING

1. **FUNDING:** NGMTC will fund not more than two teams (“A” and “B”), combination of ARNG and ANG, from each state or territory. However, rank restricted individuals and “C” teams are authorized to attend if space is available and funding is provided by their state. National Guardsmen on Title 10 orders are eligible to participate, but cannot be funded by NGMTC. To receive funding participants must meet LOI and registration deadlines.

   a. **“A” and “B” Teams:** NGMTC funds all expenses for members of one “A” team and one “B” team. However, they cannot exceed the ranks of E8, CW4, or O4. Any ranks exceeding this will be funded by their home state or will be sent home at their state’s expense.

   b. **“C” Team and EIC Walk-ons:** “C” team members and EIC walk-ons must be funded by their state or territory. These individuals must still meet registration requirements. There are no rank restrictions on state or territory funded participants.

   c. **ARNG Funding Codes:** The NGMTC Finance Section will provide each state’s J/G-3 or DCSOPS with a Letter of Authority (LOA) containing the ARNG funding codes (lines of accounting) in order to process military pay orders for competitor attendance. Once orders are cut, a copy must be emailed back to the NGMTC Finance Section. The LOA will also contain the Defense Travel System (DTS) Cross Org information to correctly route Authorization and Voucher processing.

   d. **ANG Funding:** Air National Guard (ANG) participants must submit the Request for Orders form (Appendix 3). ANG participants cannot use ARNG funding codes published by the NGMTC. ANG participants attend in an active duty status using special training workdays provided by NGMTC/AIR, if funding is available. ANG state participants will utilize AROWS pay and DTS for travel on their military status and as determined by NGMTC/AIR. ANG specific questions should be directed to prior to attending the event.

2. **BILLETING:** Lodging IS NOT available at PEC. There are no on-post facilities for spouses, family or guests. Participants are billeted at the Morris Moore Troop Complex in heated, open-bay barracks at no cost to the individual. Team integrity is maintained. Linens ARE NOT furnished. Wall lockers are available (one per individual in limited amounts) and can be secured with your padlock. Washers and dryers are installed in each barracks. Pay phones are available. Towels and toiletries ARE NOT provided. Based upon availability, participants are authorized to use on-post billeting at their own expense. On-post Billeting costs range from $7-$15 US Dollars per day based on rank. To make reservations for on-post Billeting, contact the Camp Robinson Post Billeting Section at commercial (501) 212-5274/5 or 1-800-355-3205. Participants may stay on the economy at their own expense (contact the NGMTC for recommendations for locations within 20 minutes of the front gate at military rates. **Statements of non-availability will not be issued.**

3. **RATIONS:** Government meals are not provided. The authorized M&IE rate for Camp Robinson is $54 per day ($40.50 for the first and last day of orders).

4. **TRANSPORTATION:** Authorized modes of transportation for NGMTC funded teams to and from the event will be specified by each state team’s Letter of Authorization published by the Finance Section. These authorizations will be based on the most cost effective and practical means of transportation for that teams circumstances.

   a. Use of state supported GSA vehicles is the preferred mode of transportation (when available). When GSA is not available, NGMTC may authorize a commercial rental vehicle at a common point of departure and return on one of team member’s DTS authorization. Privately Owned Vehicles (POV) may be authorized for participants (minimum of two participants per POV) within a 450 mile radius of North Little Rock, Arkansas. Participants traveling by POV will only be reimbursed up to the cost of common carrier. Additional days for travel will not be authorized when traveling by POV and competitors must plan their travel itinerary to ensure that they comply with safety guidelines for rest and driving distances, as well as regulatory guidance for security of weapons. Requests for early departures that include driving all night after the awards ceremony will be denied.

   b. Commercial Air may be authorized for teams outside the 450 mile radius and where it is more practical and economical than ground transportation. Excess baggage fees and secondary modes of transportation must be planned for when moving by commercial air. Approval for commercial air and itineraries must be received from NGMTC Finance Section prior to making any flight reservations or commitments.

   c. Parking is only authorized in designated areas while on Camp Joseph T. Robinson.
APPENDIX 3 - WPW INDIVIDUAL REGISTRATION FORM / REQUEST FOR ORDERS

The digital (Excel format) Request for Orders form (NGMTC-RFO JAN 19) must be filled out for each participant and emailed to the NGMTC RFO server at ng.ar.arang.mbx.ngmtc@mail.mil. Notify the Match OIC of any changes to initial team registrations and include this same RFO for the new participant. Copies of this form are given to the SMC and are available upon request.

Questions about completing this form? Please click the NGMTC Email Mailbox link above.

Marksmanship First, Always First!
ANNEX C

Armed Forces Skills at Arms Meeting
APPENDIX 1 - AFSAM ENTRY

1. LETTERS OF INTENT: Teams are authorized to enter AFSAM by invitation only. Teams that received an invitation through their embassy or major command must forward their letter of intent, including the total number of personnel attending and projected arrival date to the AFSAM OIC by 01 March 2019. Letters may be emailed to the NGMTC mailbox at ng.ar.ararg.mbx.ngmct@mail.mil.

2. PRE-REGISTRATION: Team rosters must be received at the NGMTC not later than 15 March 2019. All participants and teams must be pre-registered by email or hardcopy. Walk-on individual or team entries are not accepted. Team members must shoot all courses of fire. See Annex C, Appendix 3 for registration form.

3. REPORTING AND IN-PROCESSING:

   a. Arrival: Teams should plan travel to arrive on or before 02 April 2019. Team itinerary must be forwarded to the AFSAM OIC or liaison officer as soon as possible in order to coordinate transportation and lodging. Match registration is open from 0800-1000 on 02 April 2019. Early arrivals must be coordinated with the liaison officer and notified in advance. Weapons must be in-process at Building #4900 immediately upon arrival (during duty hours). Weapons security for arrivals during non-duty hours will have to be coordinated with the liaison officer. All participants must have appropriate orders, identification tags, and a military identification card upon arrival at Camp Robinson. Each individual must have a weapons issue card from Weapons Security before starting the registration process.

   b. AFSAM Entry Fee: The AFSAM entry fee is $80.00 (USD) for all competitors, coaches and support personnel. Entry fees include the cost of the social, awards banquet meal and event t-shirt. Individuals that are not required to pay the entry fee and wish to attend the AFSAM awards ceremony banquet shall pay $25.00. The preferred method of payment is cash (USD). Checks must be drawn from a U.S. bank. National Rifle Association award points and credit cards are not accepted for payment of entry fees.

4. ELIGIBILITY: Team members must be part of their country’s part-time or full-time military force and must be officially sanctioned through their embassy. Written verification of the country’s embassy or defense department approval is required. Written verification should contain a translated document in English. Retired military personnel are prohibited from participating in the AFSAM regardless of the type of match. All participants must be on orders in a military duty status and wear the appropriate uniform and equipment for that service. All participants are expected to understand the commands provided on the ranges. They may have an interpreter present on the line, but the interpreter may not interfere with operations or jeopardize the safety of the competitors.

5. COACHES: As defined in TC 3-22.9 appendix E, paragraph E-25 thru E-30. Each team is authorized a coach for team matches, NOT paper team matches, authorized team matches for coaching are: RT3170, RT3130, RT3180, CT5110, RT3120, PT2100, RT3195, CT5120, RT3600 and CT5160. A coach can be a peer coach who is a firing team member from another AFSAM team coaching the other team, when squadding allows, or an experienced coach(s) who’s only duty is to coach a team(s). The experienced coach(s) can coach ALL their teams or just one team and must be from the same country/military organization. AFSAM coaches do NOT have to follow the uniform requirements of the firing team members.

6. AFSAM SOCIAL: The AFSAM social will be held on Wednesday, 03 April 2019 beginning at 1900. Location will be at the Camp Robinson MWR Complex (Rock Lounge). Uniform will be civilian business casual or team attire. This will be an opportunity for informal team presentations.

7. AFSAM AWARDS CEREMONY AND BANQUET: The AFSAM awards presentations will be held on Friday, 12 April 2019 beginning at 1900. Location is to be determined and will be confirmed at match registration. U.S. service members’ uniform is ACU/ABUs. International teams are requested to wear their service’s battle dress uniform or comparable civilian attire.

8. CLASSIFICATIONS: Teams and individuals are not classified for AFSAM.

   a. Teams will be comprised of 4 shooting members and a coach (if available). There are no rank or time in service requirements for individuals to be assigned on a team. Composite teams are allowed (inter-service and multi-national), but are not eligible for team trophies. All team members are eligible for individual for trophies.
b. Team integrity must be maintained throughout the competition with the exception of Matches RT3600 and CT5160 (the aggregate becomes Match 380 the Lexington Green Trophy). Substitutions are allowed in the event that a member is incapacitated due to injury, illness or an emergency that requires that they depart the match. Once a substitution is made, it will remain for the rest of the matches and cannot be revoked.
APPENDIX 2 - AFSAM FUNDING

1. FUNDING: NGMTC does not provide funding to participants of the AFSAM, other than the All Guard International Combat Team. Funding for members of the All Guard team must be coordination through the All Guard Team OIC.

2. LODGING: Billeting is not available at PEC. There are no on-post facilities for spouses, family or guests. Participants are billeted at the Morris Moore Troop Complex in heated, open-bay barracks at no cost to the individual. Team integrity is maintained. Linens are NOT furnished. Wall lockers are available (one per individual in limited amounts) and can be secured with your padlock. Washers and dryers are installed in each barracks. Towels and toiletries are not provided. Based upon availability, participants are authorized to use on-post billeting at their own expense. On-post Billeting costs range from $7-$17 US Dollars per day. To make reservations for on-post billeting, contact the Camp Robinson Post Billeting Section at commercial (501) 212-5274/5 or 1-800-355-3205. Participants may stay on the economy at their own expense. **Statements of non-availability are not issued.**

3. DINING FACILITIES: Government meals are not provided. Dining is available on Camp Robinson at an expense to the participant at the Concord Café. Coordination for sack lunches can be made through liaisons by team captains.

   Concord Café hours of operations:
   Open every day – Commercial: 501-212-4646

   Breakfast 0600 – 0800
   Lunch 1100 – 1300
   Dinner 1630 – 1830

4. TRANSPORTATION: Teams are responsible for all transportation and expenses incurred to reach Camp Robinson, Arkansas. Teams requiring rental vehicles may rent them locally. Teams must inform the AFSAM OIC of additional transportation requirements when submitting the registration form.

ANNEX D

RANGE OPERATIONS
APPENDIX 1 - WEAPON INFORMATION

1. AUTHORIZED FOREIGN SERVICE WEAPON: The authorized weapon is the standard issue service weapon as issued to each nation’s military force. Each team must provide the appropriate Technical Manual (TM) for their weapon to be authorized for use. If appropriate TM’s are not provided, the equipment and optics are not authorized for use.

   a. Availability of US Weapons for International Teams: The NGMTC has a limited supply of rifles and pistols for temporary issue to visiting teams. Weapons are made available to visiting teams under extenuating circumstances only.

   b. The AFSAM OIC or liaison officer assists allied nations bringing their own weapons through US Customs. International team captains must submit a serial number listing of all weapons being brought into the US not later than 01 April 2019.

2. AUTHORIZED U.S. SERVICE WEAPON: The authorized weapon is the standard issued by the U.S. Government. Weapons must be serviceable IAW the appropriate service regulations and technical manuals. Commercial equivalents are not allowed. Non-issued parts are not authorized. Filing, honing, sanding or altering of issued parts is not authorized unless approved by the appropriate regulations and technical manuals.

   a. Service Rifle: The service rifle is the standard 5.56mm M16A2/A4 or M4/M4A1. Parts MAY NOT be interchanged between different rifle types. Commercial equivalent and heavy barrels are not allowed. Participants cannot replace M16A2 trigger components with those from an M16A1. M16A1 rifles are not authorized. M16A4 uppers can be used with an M16A2 lower or vice-versa. Competitors are authorized to bring 2 uppers for their service rifle. 1 for optics and 1 with iron sights for the EIC match (if required). All uppers must comply with physical and technical requirements specified for the service rifle. All uppers will be stored in weapons security. Additional uppers will only be issued the day of the EIC Match.

   b. Service Pistol: The service pistol is the standard M9, M11, or M17/M18. Double action pistols must be fired double action for the first round of each stage with the exception of stage 2 of PI2030. All pistols will be drawn from the holster unless otherwise directed.

   c. Optics: Iron sights and optics must be as issued. Iron sights can be blackened. However, no appliances can be affixed to shade or alter the standard sight. Rifle sights can be adjusted at any time utilizing proper safety procedures, unless directed otherwise by range staff personnel. Commercial equivalent optics are not allowed. Optics are not authorized for WPW competitors or U.S. service members eligible for EIC points that are firing AFSAM during match RI3210 (EIC) pending the final approval of the updated AR 350-66. This regulation has not been approved at the time of this Match Program’s publication. Competitors will have the option of bringing a second upper with iron sights for use in the EIC match. Optics are not authorized for use with the Service Pistol. Authorized optics allowed for U.S. military forces service rifle are:

      1. M68 Reflex Close Combat Optic with or without magnifier (no greater than 3X magnification)
      2. EOTech Reflexive Sight with or without magnifier (no greater than 3X magnification)
      3. Advanced Combat Optical Gunsight (ACOG) of no greater than 4X magnification (any current or previous model issued by the US Army is authorized). COMMERCIAL EQUIVALENTS ARE NOT AUTHORIZED.
      4. M145 or ELCAN Specter optic of no greater than 4X magnification (any current or previous model issued by the US Army is authorized). COMMERCIAL EQUIVALENTS ARE NOT AUTHORIZED.

   d. Rifle Sling: The sling must not be attached to the rifle in such a manner as to restrict the participant from handling the weapon in a safe manner.

   e. Trigger Testing and Weapon Inspections: Weapons must have their triggers weighed and safety tested to ensure they meet service weight standards and requirements. Weapons are inspected prior to the first round of the match to ensure they meet the minimum trigger weight and proper configuration (i.e. no added parts or pieces) as outlined in TM 9-1005-249-23&P and TM 9-1005-319-23&P. Weapons failing the test must be repaired. If the weapon is not repairable, the participant forfeits the right to fire the match or must obtain another weapon which meets the standard. Matches will not be postponed or delayed for these reasons. Weapons can be inspected at any time throughout the course of the match at the direction of the Range OIC or Match Director.

      1. M16A2/A4 & M4 = 5.5 to 9.5 lbs.
      2. M16A3 & M4A1 = 5.5 to 8.5 lbs.
APPENDIX 2 - AMMUNITION

1. AMMUNITION REQUIREMENTS: Service members must use ammunition issued by the NGMTC. All International Teams using organic weapons are required to provide their own ammunition to the NGMTC for storage and distribution during practice and matches. International teams must plan for the return of any unexpended ammunition. No long term storage of ammunition is available.

   a. Ammunition: The following DODICs will be issued for use during this event:

      (1) A011 (12 ga. 00 buckshot)
      (2) AM38 (12 ga. slug)
      (3) A059 or AB77 (5.56mm ball, M855 or M855A1 EPR)
      (4) AA49 (9mm ball)

   Note: 77 grain 5.56mm ammunition is not authorized. Stripper clips must be as issued with service ammunition. Aftermarket stripper clips are not authorized.

   b. Inspection: Ammunition is checked periodically on the range to ensure that all participants are firing military ammunition issued by the NGMTC. Anyone found utilizing, or attempting to utilize, ammunition not issued from the NGMTC will be removed from the competition and all scores disqualified.

   c. Unfired Rounds: Unfired rounds in all matches are forfeited and are not allowed for any subsequent match. Participants must turn in unfired rounds or misfires to range personnel before leaving the firing point. A participant found to have more ammunition than the match requires is in violation of the rules.

NOTE: If there are any malfunctions or issues with ammunition during the competition, please make note of the case headstamp or lot number and inform the Range OIC so that these issues can be properly reported.
APPENDIX 3 - SAFETY

1. RANGE SAFETY

a. The primary responsibility of the range staff is to conduct the matches in a safe manner. Everyone on the range is responsible for safety. Anyone can call a cease-fire to prevent an unsafe act. There are four general safety rules, which are STRICTLY enforced:

(1) Treat every weapon as if it is loaded.
(2) Never point the weapon at anything you do not intend to destroy.
(3) Keep finger straight and off the trigger until ready to fire.
(4) Ensure positive identification of the target and its surroundings.

References; TC 3-22.9 chapter 1, paragraphs 1-6 through 1-14 & TC 3-23.35 chapter 1, paragraphs 1-4 through 1-11

b. Rifles must be grounded with bolts open, magazines out, safety blocks in, and the selector switch on safe when not on the firing line. Pistols must have their slides forward with an empty chamber, magazines out, de-cocked, weapons on safe (if able), weapon "Holstered", and latched in the holster, when not on the firing line. (Note: Authorized holsters must have a retention device that holds the pistol in the holster).

c. Dry firing or sighting-in with an unloaded weapon can only be done under the supervision of range staff in designated dry firing areas and when directed by the tower.

d. Participants must have their weapon cleared by a designated range staff member prior to leaving the range.

e. During all fire and movement stages, weapons are carried or handled in such a manner as to ensure they are always pointed toward the targets (down range).

f. If a service member falls to the ground in a fire and movement stage and the weapon makes contact with the ground, the participant moves forward to the firing line where a range officer must clear the weapon before the participant can continue the match. If the muzzle touches the ground, the weapon’s action and barrel must be cleared with a rod prior to firing.

g. During fire and movement stages, participants that travel beyond the designated firing point are disqualified from the stage.

h. Hearing and eye protection is mandatory for all competitors, and must be PROPERLY worn. Prescription eyeglasses or standard issue safety shooting glasses will suffice. Safety glasses are not available for issue. Only smoke or clear lenses are authorized.

i. During firing, eye protection is mandatory for personnel in the target pit area. During firing, all competitors and range staff will be located in front of the target line, on the catwalk. At NO point during firing will a competitor or range staff be located down range of the target line. A combat helmet is mandatory in the pits when not under the overhang.

j. No one can be forward of the ready line other than range staff, firing participants and authorized coaches.

k. Competitors may not use cell phones on the firing line or in the pits, with exception of using the camera function to photograph score cards and targets. If a competitor or score verifier (AFSAM team matches only) is found using a cell phone or any other electronic devise to relay any information to the firing line, that team will be considered cheating.

l. Alcoholic beverages are not allowed on the range at any time. Participants exhibiting evidence of alcohol consumption prior to arrival on the range are disqualified, escorted off the range and reported to the Match Director.

m. No range movements will be made with a round in the chamber unless told to do so by the tower and proper range and safety requirements have been met. Certain courses of fire will require a competitor to move with a round in the chamber and the weapon on safe. Proper protocols and range safety requirements must be made prior to the implementation of these matches. International teams will move with their weapons according to their military safety SOP as long as it is not a safety hazard to the other competitors.
n. Equipment dropped during movement stages such as magazine or other equipment cannot be retrieved after the command “fire” or “go” until the movement is complete and the equipment can be retrieved safely under the direction of the range staff.

2. SAFETY VIOLATIONS: A safety violation occurs when a participant creates a condition with the potential to cause injury, illness or death of himself or another service member; damage to or loss of equipment or property; or mission degradation beyond established controls (i.e. firing a rifle in burst or full-automatic mode during a match).

a. Safety violations should be reported and stopped immediately.

b. The Range OIC can disqualify the participant for that stage or from the remainder of the match for safety violations. If at any point the range staff and OIC feel that a competitor is a risk/safety hazard or not fully capable to compete, they may recommend through the WPW OIC to be removed from the competition.

c. Upon recommendation from the WPW/AFSAM OIC, the Match Director can disqualify participants from the entire WPW/AFSAM event.
APPENDIX 4 - RANGE CONDUCT

1. ALIBIS, JAMS, MISFIRES, AND DISABLED WEAPONS: No allowance is made in combat matches for malfunctions, misfires or jams due to defects, maintenance or breakage in either the weapon or magazine.

   a. Defective Cartridge: No allowances, re-fires or alibis for defective rounds. Participant must safely clear all misfires, jams or malfunctions and continue shooting without interruption. Participants are responsible for inspection and identification of defective rounds prior to the start of each match. Inform Range NCOIC of all defective cartridge incidents with note of headstamp and lot number.

   b. Disabled Weapons: Once cleared by the range officer, disabled weapons can be replaced with an authorized back-up. Firing does not stop and alibis are not granted for the weapon exchange. Back-up weapons must be declared and checked when primary weapons are inspected. Courses of fire will not stop. If you do not have the backup weapon on site, the range staff will continue to conduct the courses of fire. No extra time will be given to return to weapon security for a backup weapon. It is recommended that back up weapons are on the range for expedient retrieval.

   c. Range Alibis: The Range OIC may grant a range alibi(s) for range equipment faults or failures that are not controlled by the firing participant, or team member, and do not impact the range operations (i.e. the competitor has not fired a round).

2. CHALLENGES:

   a. For shot value: Challenges for shot value must be made prior to the targets being pasted and resolved prior to the beginning the next stage of fire. The Pit NCOIC and the Range NCOIC determine the challenge outcome. There are no penalties for challenges. Challenge determinations for shot value are final and may not be protested. Participants determined to be using the challenge procedure to delay or disrupt the match to gain an advantage will be considered in violation of the rules. Challenges for shot value must be made verbally on the range or in the designated target scoring area.

   b. For Score: Challenges to posted score values must be made to the STATS NCOIC NLT 24 hours after the score is posted. A challenge for score may be made at STATS by completing a Score Challenge Form available at STATS. Team captains have the right to challenge team and individual scores of their team. Upon receipt of the challenge, stats will review the score card and make any necessary corrections. Challenge determinations for score are final and may not be protested.

3. BREACH OF RULES AND ADMINISTRATIVE REQUIREMENTS: Decisions regarding conduct not specifically addressed in this document will be based on the intent of the match or administrative requirement. Penalties will be at the discretion of the Match Director.

   a. Administrative Penalties: Penalties may be assessed to individuals or teams for non-compliance with policies of the Match Director such as failure to attend scheduled meetings, etc. intentional disregard for the intent of the rules or administrative requirements will jeopardize the ability of teams to participate.

   b. Cheating: The Range OIC or WPW/AFSAM OIC may disqualify participants from a stage of fire or recommend to the Match Director disqualification from the entire match for intentional cheating during any portion of the match to gain an unfair advantage over other participants. Disqualifications by the Match Director for cheating will result in a memorandum sent to that state’s Adjutant General or first General Officer in their chain of command.

4. PENALTIES DURING FIRING: A penalty is administered for an unintentional breach of the rules upon completion of firing a stage by the Range Officer or designated range personnel. Range officers have the authority to deduct each shot fired during the violation. Shots equal five points each unless otherwise specified on the match scorecard.

5. NEGLIGENT DISCHARGE: Late shots are not considered negligent discharges. However, a shot fired before a preparatory command "Watch and Shoot” or the command "Fire’ is considered a negligent discharge. A negligent discharge is any round fired outside the allotted live fire time limits or any round fired within those limits that is discharged in a direction other than one which would ensure a safe bullet impact. In the event of a negligent discharge, the participant is disqualified from the stage of fire. Upon recommendation from the WPW/AFSAM OIC, the Match Director can disqualify participants from the entire WPW/AFSAM event.
6. MISCONDUCT: Any participant creating a disturbance on the firing line or in the pits is reported to the Range NCOIC. The Range NCOIC can then issue a warning or disqualification from the match to the participant based on severity.

7. PROTEST: A protest is a formal and solemn complaint or objection of a course of action made regarding the fair conduct of the match. Team captains or the individual participants in individual matches must file the protest with the Range OIC. **Protests must be immediate or they are not allowed.** Protests arising at the firing point must be brought to the attention of the Range OIC prior to the next stage of fire. If the protest is not dealt with agreeably on the spot by the Range OIC, the protest must be submitted on the official protest form and submitted to the range OIC before leaving the range.

   a. **Official protest form:** Upon receipt the Range, OIC will acknowledge receipt of the official protest, notify the Match Director, and notify the participant of the time, date and location of the Protest Committee (PC) meeting.

   b. **Protest Committee (PC):** Upon receipt of the written protest, the Match Director will form the PC to resolve the official protest. The Official Match Program is the primary reference document. The PC consists of the Match Director and four additional experienced peer members. Unless the Match Director has previously excused the participant from attendance, the PC will automatically deny the protest if the protesting individual or team captain fails to be present at the appointed time. The Protest Committee can question all individuals involved and examine evidence as required to develop a resolution. Video equipment is not authorized as evidence to the PC even if it is available. The resolution is determined by vote and the Match Director serves as the tie breaking vote. The Protest Committee provides a written resolution to the team captain and WPW/AFSAM OIC for appropriate action.

APPENDIX 6 – FIRING POSITIONS

1. PISTOL FIRING POSITIONS DEFINED: In pistol matches, the authorized fire position is the "Standing Unsupported Position" unless otherwise stated in match conditions. The pistol can be fired from either or both hands unless specified by match conditions. During matches where the participant must draw and fire, no part of the holster or weapon may be touched prior to the command “fire”.

   a. Stage Starting Position/Holstered Position: As defined in TC 3-23.35 chapter 6, paragraph 6-30, figure 6-5. The competitor will be standing and generally facing the target line; the pistol will be in a weapon status of RED and in the holster with the retention device engaged. In the interview position, the competitor's hands are above the waist and in front of their body. (Exception: during the Combat Pistol EIC match, the firing hand may "hover", but not touch the weapon or holster). The competitor’s hands do not have to be touching. The competitor’s hand is not authorized to make contact with the weapon or holster. Once the stage has commenced the competitor will then return to the Ready Position after each exposure.

   b. Ready Position: As defined in TC 3-23.35 chapter 6, paragraph 6-31, figure 6-5. Both feet on the ground and body erect, hold the weapon with a two-handed grip. Point the pistol toward the target’s center with the barrel approximately parallel to the ground and not supported by any other object. Competitor’s knees can be slightly bent.

   c. Standing Unsupported Position: As defined in TC 3-23.35 chapter 6, paragraph 6-35, figure 6-7. Both feet on the ground, body erect, hold the weapon with either one or two-handed grip, fully extend the arms and not supported by any other object. Competitor’s knees can be slightly bent. Squatting is not permitted.

   d. Standing Supported Position: As defined in TC 3-23.35 chapter 6, paragraph 6-36, figure 6-8. There are no limitations as to how much or what parts, if any, of the body that can touch the barricade. If you break the barricade with your body weight you are disqualified from the match. A barricade line is marked on the ground extending from the barricade to the rear of the firing line. Participants’ feet must remain inside the line, opposite of the firing side to simulate maintaining cover.

   e. Kneeling Unsupported or Supported Positions: As defined in TC 3-23.35 chapter 6, paragraphs 6-37 and 6-38, figures 6-9 and 6-10. Participants can only make contact with the ground with their knee(s) and feet. At least one knee must touch the ground. Elbow(s) can touch upright knee but, not required.

   f. Prone Unsupported or Supported Positions: As defined in TC 3-23.35 chapter 6, paragraphs 6-39 and 6-40, figures 6-11 and 6-12. The participant must lie on the ground in horizontal position. The body must be generally perpendicular to the firing line not to exceed a 45 degree angle from the target. No part of the body or the weapon system will break the vertical plane created by the forward edge of the firing line.
2. RIFLE FIRING POSITIONS DEFINED: No alteration can be made to the firing point which assists a participant in holding the rifle steady. Safety, stability, and reduced visibility to enemy observation are important points to consider in firing positions. Unless specified by the match conditions, positions are unsupported. Competitors will be maintain muzzle control and awareness of muzzle direction at all times, regardless of firing position. During movement between firing points or stages, the rifle should be carried with the muzzle lowered and pointed down range in a modified Collapsed Low Ready. Weapons will only be slung while in a GREEN or unloaded/cleared weapon status.

a. Stage Starting Position/ Low Ready Position: As defined in TC 3-22.9 chapter 6, paragraphs 6-18 thru 6-21, figure 6-5. At the beginning of a rifle stage, the competitor will stand facing the target line in a Low Ready Position Standing, generally facing the target line with weapon's muzzle depressed at an angle of 45 degrees from horizontal (NOT 30 to 45 as defined in the TC). The butt stock placed in the shoulder pocket, competitors can “tuck” the butt stock of the weapon under their load bearing equipment/vest and or body armor to make contact with their shoulder. The weapon placed in a RED / LOAD status with the safety selector on. The rifle must be held with both hands. The competitors head must be generally upright and there can be no contact made between the firer's head/face and the butt stock (firer must break the cheek to stock weld). Once the stage has commenced the competitor will then return to the Low Ready Position after each exposure.

b. Kneeling, Unsupported Position: As defined in TC 3-22.9 chapter 6, paragraph 6-41, figure 6-12. The butt stock of the rifle must rest against the shoulder or armpit and be held with both hands. Competitors can only make contact with the ground with their knee(s) and the portion of the legs below the knee(s). At no time may the buttocks touch the ground while firing, the competitor may rest their body weight on the heel or side of the foot. No artificial support may be used.

c. Prone, Unsupported Position: As defined in TC 3-22.9 chapter 6, paragraph 6-47, figure 6-17. The butt stock of the rifle must rest against the shoulder or armpit. Participants must lie on the ground in horizontal position, with at least one elbow touching the ground. The body must be generally perpendicular to the firing line not to exceed a 45 degree angle from the target. Magazines may be rested on the ground. Bipods or additional support are not authorized. Forearm pistol/vertical grips and similar devices are not allowed to be utilized in the prone position. The competitor may not in any way attempt to gain additional support with the ground through the use of the forearm pistol/vertical grips.

d. Sitting Position: As defined in TC 3-22.9 chapter 6, paragraphs 6-43 through 6-46, figures 6-14 through 6-16. The buttstock of the rifle must rest against the shoulder or armpit, with the weight of the body supported on the buttocks. Legs may be parted or crossed. The rifle must be held using both hands.

e. Squatting Position: As defined in TC 3-22.9 chapter 6, paragraphs 6-39 through 6-40 and figure 6-11. The buttstock of the rifle must rest against the shoulder or armpit, both feet on the ground and knees bent more than 90 degrees. No part of the body other than the feet can touch the ground or any other supporting object. The rifle must be held with both hands.
APPENDIX 7 - SCORING

1. TARGET PREPARATION: Participants and/or teams are responsible for the preparation and proper maintenance of their targets. Participants must ensure targets are completely repaired and all bullet holes are pasted prior to the beginning of each stage or course of fire (COF). Pit NCOIC will be responsible to ensure all individual and team rifle targets are fully repaired prior to the start of each match. Participants/teams are not allowed to mark their targets in any manner to gain an advantage. Participants can only document information on their targets when directed by range staff.

2. SCORING: Individual competitors, when scoring targets for other competitors, must ensure that the correct shot value and total score has been determined prior to spotting, pasting, or repairing any targets. Targets with excess hits, or more hits than expected for a stage, MUST be reported to the Pit or Scoring Area NCOIC immediately. These targets may not be spotted, pasted, or repaired until instructions are given by the NCOIC due to potential refire situations.

   a. When scoring a shot that touches the line between two scoring divisions of the target, the competitor is credited with the higher value.
   b. For turning or rotating targets, any shots that produce a graze or cross multiple scoring rings will be scored the value at the point of initial entry. Any shot that is determined to have entered from the back of the target will not be scored.
   c. Individuals or team captains are responsible for verifying the shooter information, score recorded, and that the scorecards have been submitted prior to leaving the range. Scorecards will not be issued on the range. Scorecards for matches fired must not leave the range.

3. Excessive hits (not due to crossfire): When it can be proven that excessive hits were made by an individual or team firing more than the number of shots allowed, the Range OIC can disallow the score for that stage or disqualify the shooter or team from the remainder of the match for a breach of rules violation.

   a. The entire stage score may be disallowed and the additional penalty may be disqualification from the match. The Range OIC will make the final decision.
   b. Otherwise, the score will be determined by removing the value of the excessive hits, starting with the lowest, then highest valued hits from the total, alternating up to the number of excessive hits.

4. Excessive hits (due to crossfire): In the case of crossfire, when it has been proven that the competitor fired no more than the allowed number of shots, then the score will be determined by removing the value of the excessive hits, starting with the lowest, then highest valued hits from the total, alternating up to the number of excessive hits. (low, high, low….).

5. Refires: There are limited situations in which a competitor may be allowed or elect to refire a course of fire stage or match. Upon being reported to the Pit or Scoring Area NCOIC, a target with excessive hits due to crossfire and the total number of visible impacts (scored or visible misses) is 50% or greater than the maximum allowed for that stage or target, then the offended competitor may be given the option to refire that match stage or required stages.

   a. Any competitor scoring a target with excessive hits must inform the pit staff or NCOIC immediately. Then tower/center line will inform the affected competitor of the crossfire and receive the option to refire that stage or not. Targets will not be displayed and no scores will be given. If the entire COF has been completed prior to discovering the excess hits due to crossfire, then the targets will not be scored and the competitor may not be allowed score the targets.
   b. Where possible, the affected competitor will refire the stage immediately and before the entire relay resumes the course of fire as directed by the tower/center line. Otherwise, the competitor will be assigned to a following relay within that squadding group, based on Range OIC’s determination, and allowed to refire the required stage(s).
   c. The Range OIC/NCOIC may direct a refire for any stage or match as necessary to ensure fair conduct.

6. Alibis: Alibis will only be allowed as a result of range operations or target failures. Alibis will be determined by the Range OIC/NCOIC.

7. TIMING: A stopwatch is used for the timing of exposures. An audible device or the facing of targets is used to signal the fire and cease fire command. Shots fired through the sound of the horn are acceptable. Shots fired after the cease fire signal has ended do not count. Raising, lowering and the facing of the targets are to be done as quickly as possible. The exposure time begins the moment the last target is exposed and stationary. Targets are not to be manipulated to signal a hit. No verbal indication of time passing is allowed, except in coached team matches.
APPENDIX 8 - TIE BREAKING PROCEDURES

1. PISTOL: Ties are broken in following steps in order.

   a. Individual Matches: Ties in individual matches are broken by the following steps in order.
      (1) Highest number of Vs or Xs, 5s, 4s, 3s, etc. For example, if all tied competitors have the same amount of Vs or Xs then resolve the tie by the highest number of 5s. If a tie still exists then continue on to the next lower value until there is a difference in the amount of hits. The tie goes to the competitor with the highest amount of hits in the corresponding value.
      (2) Highest number of Vs or Xs at the greatest range (if it can be determined by the scorecard).
      (3) If a tie still exists the Match Director determines the tie breaking procedure.

   b. Team Matches: Team match scores are broken by the following steps in order.
      (1) Highest number of Vs or Xs, 5s, 4s, 3s, etc.
      (2) Highest number of Vs or Xs at the greatest range (if it can be determined by the scorecard).
      (3) If a tie still exists, the Match Director determines tie breaking procedures.

2. RIFLE: Ties are broken in following steps in order.

   a. Individual Matches:
      (1) Highest number of Vs or Xs, 5s, 4s, 3s, etc. For example, if all tied competitors have the same amount of Vs or Xs then resolve the tie by the highest number of 5s. If a tie still exists then continue on to the next lower value until there is a difference in the amount of hits. The tie goes to the competitor with the highest amount of hits in the corresponding value.
      (2) If a tie still exists, the Match Director determines the tie breaking procedure.

   b. Team Matches: Team Match scores are ranked by applying the preceding Rule 1 of this section to the total team score for each range and stage, as applicable. If rule 1 cannot be applied, proceed as follows:
      (1) Single stage, scored as single target.
         (a) By the greatest number of Vs. If these are equal then proceed to (b).
         (b) By the greatest number of 5s, by the greatest number of 4s, etc. If these are all equal then proceed to (c).
         (c) By the highest individual aggregate score, second highest individual aggregate score, etc. If these are equal then the match director will determine the tie breaking procedure.

      (2) Multiple stages:
         (a) By the total aggregate score of the stage at the farthest distance.
         (b) By the total aggregate score of the next greatest distance, etc.
         (c) By the highest individual aggregate score, second highest individual aggregate score, etc.
APPENDIX 9 – TARGET DESCRIPTIONS

Combat EIC Target:

- Width: 20"
- Height: 34"
- X Ring: 2.25" x 3"
- 5 Ring: 4" x 6"
- 4 Ring: 8" x 11.25"
- 3 Ring: 12" x 18"
- 2 Scoring Area

APPENDIX 10 – BARRICADE DESCRIPTIONS

Rifle Barricade

- 4’ or 122 cm
- 3’ or 7.6 cm
- 10” or 25.4 cm
- 18” or 45.7 cm

Pistol Barricade

- 8” or 20.3 cm
- 2’ or 61 cm
- 4’ or 122 cm
- 6’ or 183 cm

37
ANNEX E

Advanced Marksmanship Tasks
APPENDIX 1

TASK: Combat Pistol Barricade – PI2030 (Changed)

INTENT: To simulate engaging the enemy while maintaining cover with your entire body. Once the enemy has been suppressed or killed move forward and follow up with a rapid fire engagement to secure the enemy position.

CONDITIONS: As a participant with an M-9 pistol and 64 rounds, complete 3 stages on a Known Distance (KD) Range.

STANDARD: Achieve the highest number of points possible. The maximum point value is 320.

Stage 1:
- 20 Yds
- Holstered to Standing Supported position
- 20 shots / 2 x 10 round magazines
- 4 x Fig 11 Pistol
- 50 Seconds
- 100 Points Max

Stage 2:
- 15 Yds
- Ready position to Right Hand Only to Left Hand Only
- 20 shots / 2 x 10 round magazines
- 4 x Fig 11 Pistol
- 60 seconds
- 100 Points Max

Stage 3:
- 15 Yds
- Holstered position to Ready position
- 24 shots / 2 x 12 round magazines
- 4 x Fig 11 Pistol
- 4 exposures, one each of 7 seconds, 6 seconds, 5 seconds, 4 seconds; minimum intervals of 7 seconds between exposures.
- 120 Points Max

Instructions

Stage 1: On the command, FIRE, assume a Right side Standing Supported position and fire 10 shots on target 1, reloading on demand. Following the 10th shot, reload, assume a Left Side Standing Supported position, and fire 10 shots on target 2 from the opposite side of the barricade.

Stage 2: Start from a "Ready" position, with hammer cocked. At the command of FIRE the competitor will fire 10 shots on target 3 using your Right Hand Only. Following the 10th shot, reload and assume a standing position and fire 10 shots on target 4 using your Left Hand Only. Stage 3:
- First exposure - Engage targets 1, 2, 3, and 4, left to right placing one shot on each target and return to target 1 for the last two shots in 7 seconds. Second exposure - Repeat firing sequence of first exposure in 6 seconds. Third exposure - Engage targets 2, 3, and 4, with two shots each in 5 seconds. Fourth exposure - Repeat firing sequence of third exposure in 4 seconds.
APPENDIX 2

TASK: 100 – 500 Special Zero – RI3060 (CHANGE)
INTENT: Test competitors’ marksmanship ability with the M-16 series weapon while gathering zero data.
CONDITIONS: As a participant with an M-16 series rifle and 85 rounds; complete 4 stages on a Known Distance (KD) Range. Each 5 round shot group will be spotted. Visible misses will be marked.
STANDARD: Achieve the highest number of points possible. The maximum point value is 200.
APPENDIX 3

TASK: Reflexive Fire – RI3020 (CHANGE)

INTENT: Assess the competitor’s skill on multiple target engagements in a close quarters environment.

CONDITIONS: As a participant with an M-16 Series rifle and 36 rounds, complete 2 stages on a Known Distance (KD) Range.

STANDARD: Achieve the highest number of points possible. The maximum point value is 180.

Stage 1:
- 25 Yds
- Low Ready position
- 12 shots / 1 x 12 round magazine
- 4 x Fig 11 Pistol
- 4 exposures of 4 seconds, minimum interval of 7 seconds
- 60 Points Max

Stage 2:
- 25 Yds
- Low Ready position
- 24 shots / 2 x 12 round magazines
- 4 x Fig 11 Pistol
- 4 exposures, one each of 7 seconds, 6 seconds, 5 seconds, 4 seconds; minimum 7 second intervals
- 120 Points Max

Scoring
- Participants must have a hit inside the facial scoring area to receive a score on the target. Only 1 facial hit is worth five points. Excessive facial hits are worth two points each. The facial scoring area is designated by the line around the face and the bottom edge of the helmet.

Coordinating Instructions

In stage 1 shooters engage each target from left to right, placing two shots in the torso region first and the third shot in the facial scoring area. From the Low Ready position, on the command "fire" shooters will rotate their safety selector switch to fire, and engage their target. Upon the command of "cease fire" shooters will place their selector lever on safe, assume the Low Ready position, and await commands from the tower.

During stage 2 First exposure - Engage targets 1, 2, 3, and 4 left to right, placing one shot on each target, return to target 1 for the last two shots, in 7 seconds, then return to the Low Ready position; Second exposure - repeat firing sequence of first exposure in 6 seconds, then return to the Low Ready position. For the Third exposure - participants engage targets 2, 3, 4, with two rounds each in 5 seconds; Fourth exposure - repeat firing sequence of third exposure in 4 seconds, then return to the Low Ready position.
APPENDIX 4

TASK: Rapid Pistol Close Quarter Battle – PI2040/PT2340

INTENT: To engage personnel targets with secondary weapon at close range with rapid exposures.

CONDITIONS: A competitor armed with secondary weapon/sidearm, with four 10-round magazines of ammunition, and 4 targets at ranges from 25 to 10 yards. Scoring rings will not be numbered on the targets. Stage starting position will be the Ready Position; competitors will return back to the Ready Position after each exposure in that stage.

STANDARD: Achieve the highest number of points possible. The maximum point value is 200.

Stage 1:
- 25 Yds
- Ready Position
- 10 shots / 1 magazine
- 1 x Fig 21 Target
- 2 x 6 second exposures with a min 4 sec interval
- 50 Points Max
- Engage target #1 with 5 rounds 1st exposure, then 5 rounds 2nd exposure.

Stage 2:
- 20 Yds
- Ready Position
- 10 shots / 1 magazine
- 1 x Fig 21 Target
- 5 x 3 second exposures
- 50 Points Max
- Engage target #2 with 2 rounds at each exposure.

Stage 3:
- 15 Yds
- Ready Position
- 10 shots / 1 magazine
- 1 x Fig 28 Dot Matrix Target
- 5 x 2 second exposures
- 50 Points Max
- Engage target #3 with 2 rounds each exposure on the circle indicated by the Range Officer in the correct sequence. Example "C3"

Stage 4:
- 10 Yds
- Ready Position
- 10 shots / 1 magazine
- 1 x Fig 22 Target
- 5 x 2 second exposures
- 50 Points Max
- Engage target #4 with 2 rounds each exposure.
APPENDIX 5

TASK: Close Quarter Battle – RI3010

INTENT: Test competitor’s capabilities in a close quarters environment.

CONDITIONS: As a participant with an M-16 Series rifle, and 40 rounds; complete 4 stages on a Known Distance (KD) Range.

STANDARD: Achieve the highest number of points possible. The maximum point value is 200.

Stage 1 - Cover Fire
- 100 Yds
- Kneeling unsupported position
- 10 shots / 1 mag
- 2 x Fig 11 Pistol
- 1 exposure of 25 seconds
- 50 Points Max

Stage 2 - Cover Fire
- 75 Yds
- Kneeling unsupported position
- 10 shots / 1 mag
- 2 x Fig 11 Pistol
- 1 exposure of 20 seconds
- 50 Points Max

Stage 3 - Snap
- 50 Yds
- Low Ready position
- 10 shots / 1 mag
- 2 x Fig 14 Pistol
- 5 exposure of 3 seconds
- 50 Points Max

Stage 4 - Snap
- 25 Yds
- Low Ready position
- 10 shots / 1 mag
- 2 x Fig 14
- 3 Exposures of 3 seconds
- 50 Points Max

Coordinating Instructions
Stages 1-4 begin in the Stage Starting Position. In stage 1 shooters adopt the Kneeling or Squatting position, and fire ten rounds on the left target. In stage 2 shooters adopt the Kneeling or Squatting position, and fire ten rounds on the right target. In stage 3 only two shots can be fired with each exposure on the left target. In stage 4 competitor’s may fire any number of shots within each exposure., all shots must be on the right target during stage 4.
APPENDIX 6

TASK: The National Guard Infantry Team Match – RT3170

INTENT: Establish long range accurate fire distribution will maintaining fire control throughout the team.

CONDITIONS: As a team of 4 participants, M-16 series rifle, and 128 rounds, complete 2 stages on a Known Distance (KD) Range.

STANDARD: Complete in the fastest time possible, no more than five minutes. Maximum point value 676.

Stage 1- Rapid Fire
- 500 yds
- Prone position
- Ammunition based on team leader fire control plan
- 6 x each FIG 11 per team
- Timing: One exposure of 150 seconds, to include movement from the 600 yard-line to the 500 yard-line, adopt the Prone Position and engage the targets
- Scoring: 5 points per hit (regardless of location), six or more hits on a target is considered a squared target. The maximum bonus points per stage of fire is 36 (number of squared targets X 6, i.e. 6X6=36 point bonus)

Stage 2- Rapid Fire
- 400 yds
- Prone position
- Ammunition based on team leader fire control plan
- 6 x each FIG 11 per team
- Timing: One exposure of 60 seconds, to include movement from the 500 yard-line to the 400 yard-line, adopt the Prone Position and engage the targets
- Scoring: 4 points each hit, six or more hits is a squared target. The maximum bonus points per stage of fire is 36 (number of squared targets X 6, i.e. 6X6=36 point bonus)

Coordinating Instructions
Stage 1: Each team will be lined up on the 600 yard line in the Standing Alert position (spaced approximately one meter apart). Weapons and magazines will be unloaded. All ammunition (128 rounds) will be positioned on the 500 yard line. On command (when the targets appear), the teams will move rapidly to the 500 yard line, recover and distribute the ammunition, fill magazines, Lock, Load and commence fire when ready. Magazines may only be loaded by hand, or with through the use of a speed loader (both issued speed loader and commercial models are authorized). Only one speed loader is authorized per team. There is no limit to the number of rounds any one competitor may fire in the time allowed. Targets will be exposed for 150 seconds. After time expires and firing is complete, weapons will be made safe and cleared. Once cleared, the team will stand, be given 60 seconds to prepare for the next stage while the targets are scored and spotted. A maximum of only 6 hits per target will be spotted.

Stage 2: On command (when targets appear), from the Standing Alert position, the team will have 60 seconds to advance from the 500-yard line to the 400-yard line, adopt the Prone position, make ready and engage the targets with the remaining rounds. After time expires and firing is complete, weapons will be cleared and the team will move to the pits to receive and verify their score.
APPENDIX 7

TASK: Falling Plates – RT3130 (UPDATED SCORING)

INTENT: Engage falling plates from the any position as fast as possible, with the fewest rounds as possible, after advancing.

CONDITIONS: As a team of participants with an M-16 series rifle and 5 rounds per team member; complete 1 stage on a Known Distance (KD) Range. Falling plates will be engaged after the team advances to the designated firing point. Time stops when the last plate falls or all rounds have been fired.

STANDARD: Achieve the highest number of hits possible in the fastest time possible with the fewest rounds required. The maximum point value is 300.

---

### Stage 1
- 300 Yds
- Any position
- 5 shots / 1 magazine per team member
- 8-steel targets
- 1 Exposure - As much time as required

### Coordinating Instructions
- On command, the four person team will advance rapidly from the 400 yard line to the 300 yard line. Carry out “Lock”, “Load” and “Weapon Off Safe” on their own when they are in position at the 300 yard line and attempt to shoot down all of their assigned targets (plates) as fast as possible in the fewest rounds needed.
- Plates must fall down to count. Plates that are turned and not knocked down do not count as a successfully knocked down plate target.
- Scoring:
  - 200 points maximum for Plates (25 points per plate)
  - Teams will receive a minus 50 point penalty per plate remaining
  - 100 points possible for Time (Time stops when all plates are down or there are no rounds remaining. Overall negative final score will be a zero.)
- If teams have a tie the Tie breaker will be:
  - Fastest time. (If both teams have the same time, go to the next tie breaker)
  - Most number of rounds remaining. (If both teams have the same number, go to the next tie breaker)
  - In the event of an unbreakable tie for 1st thru 10th place, the teams will re-shoot. Otherwise, the teams with tied scores will receive the same place value.
APPENDIX 8

**TASK:** Team Covering Fire – RT3180

**INTENT:** Test competitors’ speed and ability to engage targets with an increased heart rate under a time constraint.

**CONDITIONS:** As a team with an M-16 series rifles and 10 rounds per team member; complete 1 stage on a Known Distance (KD) Range.

**STANDARD:** Achieve the highest number of points possible. The maximum point value is 200.

---

**Stage 1:**
- 400 Yds
- Prone position
- 10 shots per team member
- FIG B
- 55 seconds
- 50 Points max per team member

**Coordinating Instructions:**
- Teams will be lined up on the 500-yard line in the prone position. The coach may carry a rifle, but is not allowed to carry ammunition. All weapons will have their safeties checked prior to movement. Upon exposure of the first target, the team will advance to the 400-yard line, adopt the prone position, and carry out "Lock", "Load", and "Weapon Off Safe" and engage the FIG B. Team members will occupy the center of the numbered firing point (spaced approximately one meter apart). Team members may open fire as soon as they are in the appropriate firing position.
APPENDIX 9

TASK: Anti body Armor - Match PI2250/PT2350

INTENT: To simulate engaging an enemy combatant wearing body armor followed by rapid fire engagements on multiple targets representing enemy combatants. Match PT2350 is a paper match of combined scores from match PI2250.

CONDITIONS: As a participant with an M-9 pistol and 36 rounds, complete 2 stages on a Known Distance (KD) Range.

STANDARD: Achieve the highest number of points possible. The maximum point value is 180.

Stage 1:
- 15 Yds
- Holstered position to Ready position
- 12 shots / 1 X 12 round magazine
- 4 x Fig 11 Pistol
- 4 exposures of 4 seconds, minimum interval of 7 seconds
- 60 Points Max

Stage 2:
- 15 Yds
- Holstered position to Ready position
- 24 shots / 2 x 12 round magazines
- 4 x Fig 11 Pistol
- 4 exposures, one each of 7 seconds, 6 seconds, 5 seconds, 4 seconds; minimum 7 second intervals
- 120 Points Max

Scoring
- Participants must have a hit inside the facial scoring area to receive a score on the target. Only 1 facial hit is worth five points. Excessive facial hits are worth two points each. The facial scoring area is designated by the line around the face and the bottom edge of the helmet.

Coordinating Instructions
- In stage 1 shooters engage each target from left to right, placing two shots in the torso region first and the third shot in the facial scoring area. During stage 2 First exposure - Engage targets 1, 2, 3, and 4 left to right, placing one shot on each target, return to target 1 for the last two shots, in 7 seconds; Second exposure - repeat firing sequence of first exposure in 6 seconds. For the Third exposure - participants engage targets 2, 3, 4, with two rounds each in 5 seconds; Fourth exposure - repeat firing sequence of third exposure in 4 seconds.

- Match PT2350 is a paper match only. The 4 team members scores for match PI2250 will be combined for the final score for Match PT2350.
APPENDIX 10

**TASK:** Combined Arms Barricade Match – CT5110 (CHANGE New COF)

**INTENT:** Assess your ability as a team to engage enemy combatants from behind covered positions.

**CONDITIONS:** As a team of participants with M-9 pistols, M16/M4 series rifle, 24 rifle rounds and 16 pistol rounds each; complete 2 stages on a Known Distance Range. Target configuration consists of 2 each FIG 11 Pistol and 2 each FIG 21. Participants will reload on demand throughout the exercise. The first shot for pistol stage must be fired in double action.

**STANDARD:** Achieve the highest number of points possible. The maximum point value is 200.
Appendix 10 (Cont)

CT5110 Coordinating Instructions:

Report to Stage Starting Line and Go AMBER: Following the commands from the tower, Shooters will go AMBER with their pistol (8 round magazine loaded with slide forward on empty chamber and on SAFE) and holster. Then go AMBER with rifle (10 round magazine loaded with bolt forward on empty chamber and on SAFE).

Stage 1: On the command “GO” Shooters will have 90 seconds to move out at their own pace towards their designated firing point and transition from the moving alert to the Kneeling Supported Position, MAKE READY and engage Target 1 with a 10 round magazine from the keyhole cutout in the center of the barricade. Reload on demand, transition to a Standing Supported Position and engage target 2 with 10 rounds. At the completion of Stage 1, either rounds complete or when the time limit has expired, shooters will make the rifle GREEN (with bolt locked to the rear to show clear) and prepare for Stage 2.

Stage 2: At the 100 yard line, behind the barricade, Shooters will go AMBER with their rifle (4 round magazine loaded with bolt forward on empty chamber). On the command “GO” shooters will have 50 seconds to move from the 100 yard line to the 25 yard line at their own pace. Upon reaching the 25 yard line, assume the Rifle Standing position, MAKE READY and engage each FIG 21 target with 2 rounds to the head/face scoring area. Once all 4 rifle rounds have been fired, make the rifle GREEN (rifle may be grounded or slung, but must bolt must be locked to the rear), Shooter will adopt a pistol kneeling position, draw the pistol, MAKE READY and engage the body/center mass area of each FIG 21 target with 8 rounds each. Upon all rounds complete or when the time limit has expired, Shooters will make all weapons GREEN(bolt and slide locked to rear to show clear).

Scoring:
- Any round that touches the scoring area will count for a score if it is the proper caliber round on target and does not exceed the maximum amount of hits per target.
- FIG 11 Pistol target hits must be 5.56mm, no more than 10 hits allowed for each target.
- FIG 21 hits must have 2 rifle hits in the head/face scoring area. Maximum of 2 rifle hits per FIG 21 target. Rifle hits in the torso of the FIG 21 will not count.
- Maximum of 8 pistol rounds per FIG 21 target. Pistol hits in the head/face scoring area are minimum score value possible for that target.
**APPENDIX 11**

**TASK:** Combat Rifleman (Forward Assault) – RI3250/RT3350

**INTENT:** Assess your shooting abilities by utilizing multiple positions according to a load plan at your discretion.

**CONDITIONS:** As a participant with an M-16 series rifle and 60 rounds; complete 9 stages on a Known Distance (KD) Range. Magazines will be filled with the amount of ammunition at the competitors’ discretion as long as the total amount filled does not exceed 60 rounds. Match RT3350 is a paper match of combined scores from match RI3250.

**STANDARD:** Achieve the highest number of points possible. The maximum individual competitor point value is 300.

Coordinating Instructions

After the initial command to lock and load there will be no further commands to do so during this course of fire. All competitors are responsible for reloading on their own as needed.

Stage 1: Hits and visible misses will be spotted. The target will be engaged with the spotting discs in place.

Stage 2: Will begin in the prone unsupported position. Upon exposure of the targets, competitors will engage each target with 4 shots each for a total of 8 shots.

Stage 3: Competitors advance from 300 on order at a walk. Upon exposure of the target, competitors will move to the 200-yard line, adopt the kneeling unsupported position and fire 4 shots.

Stage 4: Targets are exposed randomly (either FIG 11 or FIG 12) in three positions over 1-1/2 meter frontage. One shot will be fired per each exposure.

Stage 5: Each exposure will be engaged with 2 shots, one shot at each target.

Stage 6: Competitors advance from 200-yard line aligned to the center and on order. Upon exposure of the targets, competitors will move to the 100-yard line, adopt the kneeling unsupported position and fire 6 shots, 2 shots at each target.

Stage 7: Targets are exposed randomly over intervals of 5 - 10 seconds. One shot will be fired at each exposure.

Stage 8: Four exposures of one target in the competitors designated target lane. Competitors will advance on order in the Low Ready position after each exposure. Upon exposure of the first target, all competitors will stop and engage their target as it appears with 2 shots; first shot from the standing position, second shot from the kneeling unsupported position. Upon the completion of each exposure, competitors will apply safety catches and return to the Low Ready position.

Stage 9: Each exposure will be engaged with two shots. Competitors will advance, on order, after each exposure. Starting position for each engagement is Low Ready position.
APPENDIX 12

TASK: Combat Pistol EIC – PI2210
INTENT: Conduct a validated EIC match in order to award LEG points.
CONDITIONS: As a participant with an M-9 pistol and 40 rounds, complete 4 stages on a Known Distance (KD) Range.
STANDARD: Achieve the highest number of points possible. The maximum point value is 200.

Stage 1:
- 30 Yds
- Standing position
- 10 shots / 2 five round magazines
- 2 x EIC Combat Targets
- 60 Seconds
- 50 Points Max
- Engage target one with 5 rounds, reload, then engage target two with 5 rounds.

Stage 2:
- 25 Yds
- Standing to Kneeling to Prone position
- 10 shots / 2 five round magazines
- 2 x EIC Combat Target
- 45 Seconds
- 50 Points Max
- Engage target three with 5 rounds from the Kneeling Position, reload, engage target four with 5 rounds from the Prone position.

Stage 3:
- 20 Yds
- Standing position
- 10 shots / 2 five round magazines
- 2 x EIC Combat Target
- 20 Seconds
- 50 Points Max
- Engage target one with 5 rounds, reload, engage target two with 5 rounds.

Stage 4:
- 15 Yds
- Standing position
- 10 shots / 2 five round magazines
- 2 x EIC Combat Targets
- 15 Seconds
- 50 Points Max
- Engage target three with 5 rounds from the Standing position, reload, engage target four with 5 rounds.
APPENDIX 13

TASK: Movers – RT3120

INTENT: Engage moving targets from various positions.

CONDITIONS: As a team of participants with an M-16 series rifle and 15 rounds each; complete 3 stages on a Known Distance (KD) Range. FIG 11s are moving, mounted on a stick, and can only be engaged when exposed.

STANDARD: Achieve the highest number of points possible. The maximum point value is 300.

Coordinating Instructions: Stage 1: Soldiers will start from the stage starting position. When the target appears on the first exposure, the team will adopt the prone unsupported position and engage 1 x moving figure 11 with 5 shots each over 3 exposures of 10 to 15 seconds each. After the last exposure, shooters will make weapon safe and show clear. Safeties will verify all weapons are clear prior to starting stage 2. Stage 2: on the command “GO” Soldiers will have 35 seconds to move to the 200 yard line at their own pace, assume the kneeling unsupported position, weapons lock, load and engage the first exposure of a moving figure 11, followed by two more exposure of 10 to 15 seconds each. Each team member will have 5 rounds each for the kneeling position. Stage 3: At the 200 yard line, from the Stage starting position, team members will adopt a standing position and engage 1 x moving figure 11 with 5 rounds each over 3 exposures of 10 to 15 seconds each.

Stage 1:
- 300 Yds
- Standing to Prone unsupported position
- 5 shots / 1 magazine per participant
- 1 x moving Fig 11 Target
- Three 10-15 seconds exposures
- 100 Points Max

Stage 2:
- 300 to 200 Yds
- Kneeling unsupported position
- 5 shots / 1 magazine per participant
- 1 x moving Fig 11 Target
- One exposure of 35 seconds and two 10-15 seconds exposures
- 100 Points Max

Stage 3:
- 200 Yds
- Standing position
- 5 shots / 1 magazine per participant
- 1 x moving Fig 11 Target
- Three 10-15 seconds exposures
- 100 Points Max
APPENDIX 14

TASK: Combat Rifle Excellence-In-Competition – RI3210

INTENT: Conduct a validated EIC match in order to award LEG points. All WPW competitors will fire with iron sights regardless of distinguished status. AFSAM competitors may use optics or iron sights. U.S. AFSAM competitors will fire RI3210 twice; the first time for WPW score and the second for AFSAM score.

CONDITIONS: As a participant with an M-16 series rifle and 50 rounds, complete 5 stages on a Known Distance (KD) Range. This course of fire will utilize the Alert Position throughout the course of fire. Visible misses will be marked.

STANDARD: Achieve the highest number of points possible. The maximum point value is 250.

Stage 1 - Sustained Fire
• 400 Yds
• Prone position
• 10 shots / 1 magazine
• 1 x EIC Combat Target
• 2 Minutes
• 50 Points Max

Stage 2 - Rapid Fire
• 300 Yds
• Prone position
• 10 shots / 2 x 5 round magazines
• 1 x EIC Combat Target
• 1 Minutes
• 50 Points Max

Stage 3 - Rapid Fire
• 200 Yds
• Kneeling position
• 10 shots / 2 x 5 round magazines
• 1 x EIC Combat Target
• 50 Seconds
• 50 Points Max

Stage 4 - Standing Kneeling
• 100 Yds
• Standing to Kneeling position
• 10 shots / 2 x 5 round magazines
• 2 x EIC Combat Targets
• 40 Seconds
• 50 Points Max

Stage 5 - Rapid Fire
• 75 -25 Yds
• Alert/Standing position
• 10 shots / 1 magazine
• 2 x EIC Combat Targets
• 4 Seconds at 75 yds 3 seconds at 50 yds 2 seconds at 25 yds
• 50 Points Max

Coordinating Instructions

This course of fire requires that the shooter start each exposure from the Low Ready or "Alert" Postion (rifle at a 45 degree downward angle, butt stock on the shoulder) during stage 5. Failure to do so will result in a 5 point penalty. May not use the Squatting position during this match.

Stages 1-4 will begin 25 yards behind the firing line, then move to the firing line and engage targets when they appear. In stage 4 shooters engage target one with five rounds from the Standing position, reload, then engage target two with 5 rounds from the Kneeling position. In stage 5 participants have four seconds to fire as many rounds as desired at either target from 75 yards. Participants then move, on order from the tower, to the 50 yard line where they have three seconds to fire as many rounds as desired at either target. Then move again, on order, to the 25 yard line, with two seconds to fire as many rounds as desired at either target. Participants must fire five rounds at each target. Excessive hits will be treated as misses.
APPENDIX 15

TASK: General George Patton Combat Pistol – PT2100

INTENT: Effectively coordinate a fire plan between team members with increased heart rate and breathing.

CONDITIONS: As a team of participants with M-9 pistols and 51 rounds each; complete 4 stages on a Known Distance Range. Four firing members shoot on six targets incorporating fire distribution. Magazines are filled prior to Stage 1. Equipment must be worn during the entire exercise. Magazines will be filled with the amount of ammunition at the competitors’ discretion as long as the total amount filled does not exceed 17 rounds per stage of firing.

STANDARD: Achieve the highest number of points possible. The maximum point value is 1110.

Stage 1:
- Each team is required to successfully move 300 yards in 2 minutes with all required equipment. Failure to complete the movement in time results in disqualification from the rest of the stages. Once time has ended shooters begin Stage 2.

Stage 2:
- 30 Yds
- Holstered to Standing unsupported position
- 17 shots each
- 6 x Fig 11 Pistol
- 35 Seconds
- 340 Points Max

Stage 3:
- 25 Yds
- Holstered to Standing unsupported position
- 17 shots each
- 6 x Fig 11 Pistol
- 30 seconds
- 340 Points Max

Stage 4:
- 20 Yds
- Holstered to Standing unsupported position
- 17 shots each
- 6 x Fig 11 Pistol
- 25 seconds
- 340 Points Max

PT2100 Coordinating Instructions for Bonus:

If all targets are hit with 6 or more 5s, the team earns a bonus of 30 points.

If all targets are hit with 12 or more 5s, the team earns a bonus of 60 points.

If all targets are hit with 18 or more 5s, the team earns a bonus of 90 points.

The bonus is 30, 60 OR 90 points. Only 1 bonus is allowed.
APPENDIX 16

TASK: Know Your Limits Barricade Team Match - RT3195 (CHANGE New COF)

INTENT: Successfully distribute fires within the target array by assigning the most capable team member to a selected target, from a designated firing position and issued a determined number of rounds in order to achieve the highest score possible.

CONDITIONS: As a team of participants, with individual service rifles, a determined number of rounds to a maximum of 10 rounds, each member firing from a designated position, on a selected target at an unknown distance and within the specified time limit. Team members will advance an unknown distance from a starting position to the firing line/barricade, engage an assigned target from an unknown distance, with a given number of rounds. The team leader will be responsible for selecting and assigning each member to a specified barricade, with a selected target (from among the target figures allowed) and with an assigned number rounds from the total number of rounds provided to the team. Spotting scopes or binoculars may be used. Only members of the team are allowed forward of the ready/starting line. Each member must be assigned to a firing point and achieve at least one scoring hit on that assigned target.

STANDARD: Achieve the highest team aggregate number of points possible from hits scored on the assigned target array. The team will have 60 seconds to advance, adopt the required firing position and engage the assigned target with the assigned number of rounds. Maximum point value is 150.

---

**Firing Point #1A**
- Pos: Standing supported
- Rng: UKD 100-200 yds
- Rnds: #Assigned by TL
- Tgt: Assigned by TL

**Firing Point #1B**

**Firing Point #1D**
- Pos: Kneeling Supported
- Rng: UKD 100-200 yds
- Rnds: #Assigned by TL
- Tgt: Assigned by TL

---

**Coordinating Instructions**
- Time Limit: 60 seconds
- 30 rounds per team (Tm Ldr will assign number of rounds to each member-10 round maximum per team member)
- Minimum of 1 scoring hit must be achieved on each target. Failure to achieve will result in a 25 point penalty for each target.
- Maximum of 10 scoring hits allowed per target. Excess hit rules will apply.
- Each Firing Point will have a designated firing position; TL will assign each members to a firing point.
- Target to be engaged from each firing point will be selected by the TL and assigned to each firing point.
- The number of rounds fired at each target will be determined and assigned by the TL.
- Targets that may be assigned to a team member; 1 each from these 4 target figures.
  - Figure 11 (pistol)
  - Figure 12
  - Figure 14
  - Combat EIC target

---

**Tie Break Rules:**
- The greatest number of 5s, 4s, 3s
- The greatest number of 5s, 4s, 3s on the Combat EIC target
- The greatest number of 5s, 4s on the Figure 14 target
APPENDIX 17

TASK: Bianchi Battle – CT5120

INTENT: Test team coordination, endurance and marksmanship. The intent is to continuously change this match format, conditions and standards to provide the maximum challenge without preparation and gaming of the match.

CONDITIONS: As a team of participants with M16 series rifle with the number of rounds TBD, M-9 pistols with the number of rounds TBD, M500/590 shotgun with the number of rounds TBD; complete an unknown number of stages on an Unknown Distance Range in no more than a specified amount of time (TBD).

STANDARD: Achieve the highest number of points possible. Overall time is the tie breaker.

---

**Coordinating Instructions:**

Coordinating Instructions will be issued to the team captains at the first official team captain's meeting.

It will be the responsibility of each team captain to prepare their team(s) for this course of fire.

**Scoring Time Bonus:**

The team must complete the course of fire within the allotted amount of time or the team will not receive a score. The time limit and bonus chart will be provided during the pre-match briefing.
APPENDIX 18

**TASK:** International Interservice Rifle Team Match – RT3600 (AFSAM ONLY)

**INTENT:** Assess your team’s shooting abilities by utilizing all positions and all distances fired throughout the match.

**CONDITIONS:** As a team of 4 participants with a service rifle and 60 rounds each; complete 6 stages on a Known Distance Range. Coaching is permitted. Each team is responsible for their target/score verifier in the pits. The range staff will not be responsible for your own team verification.

**STANDARD:** Achieve the highest number of points possible. The maximum team point value is 1200.

Coordinating Instructions

**Stage 1:** First exposure starts from the Stage Starting, after the first exposure the competitor returns to the Low Ready between each exposure with the safety catch applied.

**Stage 2:** Participants adopt a Stage Starting position in the Load state with safety catch applied, feet flat on the ground, legs uncrossed. Upon exposure of the targets, assume the firing position.

**Stage 3:** Participants adopt a Stage Starting position in the Load state with safety catch applied. Upon exposure of the targets, assume the Prone position.

**Stage 4:** Competitors start from the prone unsupported position. 10 exposures of 3 seconds, over 5 minutes with 2 exposures in the last minute of firing time, over a frontage of 1 1/2 meters.

**Stage 5:** Participants start from the Prone unsupported position and engage the target when it appears with 10 shots.

**Stage 6:** At 500 yards, participants are in the Stage Starting position in the Load status with safeties applied. When the target appears, participants adopt the prone unsupported position and fire two shots. On each subsequent exposure, participants advance to the next firing line, adopt the appropriate firing position and fire two shots. Participants must remain in the appropriate firing position until the target reappears. Selector levers will be on SAFE during all movement.
APPENDIX 19

TASK: Conaway Challenge Cup – CT5160 (AFSAM ONLY)

INTENT: Test competitor’s capabilities in a close quarters with multiple weapon systems.

CONDITIONS: As a participant with an M-16 Series or equivalent rifle, M9 or equivalent pistol, and 30 rifle rounds and 10 pistol rounds; complete 4 stages on a Known Distance (KD) Range.

STANDARD: Achieve the highest number of points possible. The maximum point value is 200.

---

Stage 1 - Cover Fire
- 100 Yds
- Kneeling unsupported position
- 10 shots / 1 magazine
- 2 x FIG 11 Pistol
- 1 exposure of 25 seconds
- 50 Points Max

Stage 2 - Cover Fire
- 75 Yds
- Kneeling unsupported position
- 10 shots / 1 magazine
- 2 x FIG 11 Pistol
- 1 exposure of 20 seconds
- 50 Points Max

Stage 3 - Snap
- 50 Yds
- Low Ready position
- 10 shots / 1 magazine
- 2 x FIG 11 Pistol
- 5 exposure of 3 seconds
- 50 Points Max

Stage 4 - Pistol
- 25 Yds
- Ready position
- 10 shots / 1 magazine
- 2 x FIG 14
- 3 Exposures of 3 seconds
- 50 Points Max

---

Coordinating Instructions

Stages 1-4 begin in the Stage Starting position. In stage 1 shooters adopt the Kneeling unsupported position, and fire ten rounds on the left target. In stage 2 shooters adopt the Kneeling unsupported position, and fire ten rounds on the right target. In stage 3 only two shots can be fired with each exposure on the left target. In stage 4 competitor’s ground or sling their rifles and assume the pistol Ready position, and fire any number of shots within each exposure all shots must be on the right target.
APPENDIX 20

**TASK:** 100 – 500 AFSAM Special Zero – RI3040 (**AFSAM Only**) (This is not a scored event)

**INTENT:** Test competitors’ marksmanship ability with their issued 5.56 caliber weapon system while gathering zero data.

**CONDITIONS:** As a participant with a match authorized 5.56 caliber weapon system and 100 rounds per competitor; complete 5 stages on a Known Distance (KD) Range. Each stage will be given a block time. Each team will be assigned firing points and radios. Teams will be responsible for conducting their own zero time and pit operations during the block time of 30 minutes. All targets will be available to be fired on. It is up to the team captain and competitors on the amount of rounds fired at each yard line and which targets are fired on. Each competitor will be given 100 rounds total in order to complete the course of fire. There is no set fire plan for this course of fire.

**STANDARD:** This match will not be for score. This is to gather zero information for weapon systems on the targets that will be utilized throughout the AFSAM.

*Chief’s 50 Badges*

* The Chief’s 50 Badge will be awarded to the top 20 individual rifle competitors and top 20 individual pistol competitors regardless of classification. This will be determined by the combined aggregate of all individual matches within the respective discipline to receive the Chief’s 50 Badge. Participants are only issued the Chief’s 50 Badge if it is their first time to be recognized with the honor. The remainder of the Chief’s 50 Badges will be awarded to the top 2 Winston P. Wilson Sniper Team competitors (4 badges) and the top 3 Winston P. Wilson Machine Gun Team competitors (6 badges) when fired.

Chief's 50 Marksmanship Badge

Established in 1978 and retroactive for 1971 through 1977, by order of NGR 672-3/ANG Reg 900-1, the Chief’s 50 Marksmanship Badge is intended to provide evidence and public recognition of outstanding marksmanship abilities as demonstrated at the Winston P. Wilson Small Arms Championships.

Currently, the award is made annually to the first 20 rifle, first 20 pistol, first 4 sniper rifle, and first 6 machine gun competitors in the Grand Aggregate Individual Matches for these disciplines. The badge is a gold-plated circular medal, 1 1/8 inches in diameter suspended from a gold-plated top bar. The medal is inscribed “Winston P. Wilson Rifle and Pistol Championships” and has both the NGB emblem and the Minuteman stamped on the front. Additionally, the badge is serial numbered and engraved with the recipient’s name and the year it was won. A reproduction of the Chief’s 50 Marksmanship Badge on an embroidered patch will be issued with each badge.

The badge will be presented by a general grade officer at the award’s ceremony at the conclusion of the Wilson Matches. Award of the badge will be announced by the Chief, National Guard Bureau and will be documented on orders issued by the National Guard Bureau. A roster of recipients will be included in the Official Match Bulletin for each calendar year and each award will be noted in the military records of the recipient.
THE NATIONAL GUARD MARKSMANSHIP TRAINING CENTER

Camp Joseph T. Robinson, Building 4904, Box 11
