Revised 09/2007
THE ARMY RESERVE OFFICERS' TRAINING CORPS (ROTC)
SCHOLARSHIP APPLICATION PACKET FOR
TWO-YEAR GUARANTEED RESERVE FORCES DUTY (GRFD) (ARNG/USAR)
AND DEDICATED ARMY NATIONAL GUARD

GENERAL INFORMATION

Army ROTC provides scholarships to individuals desiring to become a commissioned officer in the Army National Guard (ARNG) or United States Army Reserve (USAR). The program offers courses in Military Science to students at more than 1,500 colleges and universities throughout the nation. The Guaranteed Reserve Forces Duty (GRFD) scholarship program provides benefits for 2-years and the Dedicated ARNG scholarship program provides benefits for 2-, 2.5, or 3-years to students pursuing a baccalaureate degree who are entering their sophomore or junior year of college and high school students who attend Military Junior College (MJC).

Individuals may also apply for a scholarship to pursue a graduate degree. A graduate degree scholarship is a 2-year scholarship. You are eligible for this scholarship if you have only two years remaining for completion of your graduate degree. You must already possess a baccalaureate degree or have a letter of acceptance to a graduate program and meet all other scholarship eligibility requirements.

GRFD and Dedicated ARNG scholarship cadets, in addition to their normal college degree requirements, take military science courses, professional military education subjects, participate in scheduled leadership laboratories, attend the ROTC Leader Development and Assessment Course (LDAC), normally between their junior and senior years (freshman and sophomore years for those attending a MJC), and attend drills as a member of an ARNG or USAR unit one weekend per month. Membership in the ROTC program and the ARNG or USAR, which is permitted through the Simultaneous Membership Program (SMP), is required for GRFD and Dedicated ARNG scholarship cadets.

Upon successful completion of military science and degree requirements, scholarship cadets will be commissioned as Second Lieutenants in one of the branches of the Army, i.e., Infantry, Engineer, Armor, Finance Corps, etc. and serve their obligated service in the ARNG or USAR depending on the type of scholarship.

If you receive the GRFD or Dedicated ARNG scholarship, your active duty requirement after commissioning is the completion of the Basic Officer Leadership Course (BOLC) which is approximately 6 months in duration depending on the branch in which you are commissioned. After completion of BOLC, you will be released from Active Duty (AD) to continue your civilian occupation/graduate program on a full-time basis while continuing your Reserve Component service. After completion of your service obligation of 8 years, you may continue your Reserve Component career toward eventual retirement.

SCHOLARSHIP BENEFITS

The U.S. Army ROTC GRFD and Dedicated ARNG scholarships pay full college tuition and educational fees, or room and board (capped at $10K), whichever is chosen by the student. These scholarships have the same benefits as any ROTC Scholarship. Additionally, a flat rate amount is provided to purchase textbooks, classroom supplies and equipment. It does
not pay for aviation flight fees. Army ROTC scholarship winners also receive a monthly tax-
free subsistence allowance, which is tiered commensurate with the military science class, up to
10 months a school year. Besides scholarship benefits, individuals will receive drill pay of an E-
5 (or higher rank if previously attained) as an SMP participant, earn pay for attending the ROTC
Advanced Camp, and may be able to attend the two weeks annual training period with their
assigned unit.

Scholarship recipients must be continually enrolled for 45 days after the academic start date at
the university before the Army pays tuition and fees. This 45-day requirement will apply only to
the fall term of each academic year. Recipients who have made payment in advance for tuition
or fees must retain the receipts for these expenditures and provide them to the Professor of
Military Science for reimbursement of an authorized amount. Recipients, who fail to comply
with provisions of their scholarship contract for any reason before the 45th day is reached, are
liable to the institution for tuition and fees.

the Professor of Military Science (PMS) at the institution he/she attends. Submission of a
request for waiver does not ensure a waiver will be granted. **No award is final until medically
qualified.**

g. Curriculum.

(1) College Students. Be enrolled in or accepted for enrollment as a full-time
academic sophomore or junior (whichever is appropriate for scholarship offer) in a major course
of study leading to a baccalaureate degree (except theology) beginning with the fall of the year
of enrollment as a scholarship cadet. Students who will not attain sophomore or junior status
until the second semester or second or third quarter following the fall of the year of the award
may compete for a 2-, 2.5-, or 3-year scholarship provided they are otherwise qualified. The
scholarship will be effective with attainment of sophomore or junior status with baccalaureate
degree requirements to be completed in 2, 2.5, or 3 academic years (whichever is appropriate for
scholarship offer) and concurrent enrollment in MSL II or III. If you are awarded a scholarship,
you will be required to pursue an undergraduate degree in the academic discipline in which your
scholarship was awarded.

(2) Students who are going to attend a Military Junior College and win either a
GRFD or a Dedicated ARNG scholarship must enroll in MSL III and attend an MJC in the fall of
the year of award. These students will not be permitted to use this scholarship at a 4-year
institution. MJC winners must agree to transfer to a baccalaureate degree granting institution for
enrollment in an academic course to complete degree requirements.

This must be accomplished by the 15th of December of the first semester in which benefits are to begin.

If selected for a U. S. Army ROTC GRFD or a Dedicated ARNG scholarship and you accept, you are required to:

a. Enter into an appropriate contract with the Secretary of the Army. If you will be under 18 years of age by the fall enrollment, your parents or guardian must sign the contract - if you are 18 or older, only your signature is required. This contract requires repayment to the U.S. Government for all financial aid received if an individual fails to comply with the terms of the contract. This repayment may be monetary or in the form of enlisted service. The choice rests with the Army and not the scholarship cadet.

b. Enlist in the ARNG or USAR for a period of 8 years or have a minimum of 4 years remaining on the enlistment obligation at the time of enrollment in the ROTC Advanced Course. Individuals with less than 4 years remaining must extend their enlistment in order to qualify for application.

LTC must be successfully completed with a minimum qualifying score established by HQ Cadet Command in order to validate your scholarship. Failure to qualify will make you ineligible for the scholarship. There are no waivers to this requirement.

e. Attend an institution offering Army ROTC or an institution with an established partnership to a school offering Army ROTC. Visit www.goarmy.com/rotc for a listing of Army ROTC programs. If your school is not listed, contact the nearest school with Army ROTC as they may have a partnership agreement with your school. PART IV - STUDENT STATEMENTS

42. RELEASE OF INFORMATION
The Privacy Act requires that we notify you of other routine uses of the information we collect from you. You should know that if you leave school, we might provide your name, address, and phone number to the U.S. Army Recruiting Command. This is done because the Active Army, Army Reserve, and National Guard want and need intelligent young men and women. They also have programs which might help you return to college. The transfer of information to the Recruiting Command means that, if you drop out of school, you may receive information in the mail or be called by an Army Recruiter. You are under no obligation to accept the mail or to talk to the recruiter.

I have read and understand the above statement concerning data required by the Privacy Act of 1974.

Verification of the following statements is required in order to assist in establishing eligibility to participate in the ROTC program. Failure to provide a response will preclude further processing as an enrolled cadet. Failure to provide an accurate or truthful response is grounds for barring entry into the SROTC program or for the initiation of disenrollment action. Your signature at the bottom of this page will attest to the accuracy of your responses on this form.

43. STATEMENT OF CRIMINAL PROCEEDINGS BY CIVIL OR MILITARY AUTHORITIES
I have not been indicted or summoned into court under civilian or military law as a defendant in a criminal proceeding, to include any and all proceedings involving juvenile or adult criminal offenses, but excluding minor traffic violations (Exception: alcohol-related driving offenses) which involved a fine or forfeiture, alone, of less than $250. I have not had 6 or more minor traffic violations (excluding parking violations) in a 12-month period where the fine is $100 or more per offense. I have not had 12 or more minor traffic violations (excluding parking violations) during the previous 3 years where the fine is $100 or more per offense. I have never been convicted, fined, imprisoned, placed on probation, paroled, or pardoned (to include alcohol violations and misdemeanors), except for minor traffic violations as defined above. I will advise the Professor of Military Science of any future information pertaining to any changes of criminal conduct against myself and I will do so as soon as practical under the circumstances. Records that are expunged, sealed, set aside, dismissed, or original findings or pleas changed to still require a waiver.

Check One: [ ] The above statement is true. [ ] The above statement is not true - Explain: ____________________________

44. SUBSTANCE ABUSE

Check One:
- [ ] I have never used an illegal substance or drug.
- [ ] I have used illegal substances or drugs only on an experimental or limited basis. When: _____________________________________________________________________ How Often: ______________________
- [ ] I have been a recent or frequent user of illegal substances or drugs. When: _____________________________________________________________________ How Often: ______________________

NOTE: Any future drug use will be grounds for disenrollment from the ROTC Program.

45. RELIGIOUS ACCOMMODATION
The U.S. Army cannot guarantee that my religious practices will be accommodated. I acknowledge and understand that it is the Department of the Army's policy to accommodate religious practices as long as the practice will not have an adverse impact on military readiness, unit cohesion, standards, health, safety or discipline. I further acknowledge and understand that the U.S. Army has the right to amend or eliminate any such accommodation based on the needs of the Army.

[ ] I have read and understand the above statement concerning accommodation of my religious practices.

46. CONSCIENTIOUS OBJECTION
If you have moral convictions that preclude you from bearing firearms and/or participating in full military service with the U.S. Army, to include armed combat, then you are a conscientious objector. AR 600-43 defines conscientious objection as "A firm, fixed and sincere objection to participation in war in any form or the bearing of arms, because of religious training and belief."

Check One: [ ] I am not a conscientious objector. [ ] I am a conscientious objector. Explain: ____________________________

47. DOD HOMOSEXUAL CONDUCT POLICY BRIEFING
Although you have not been asked nor will you be asked about your sexual orientation, you should be aware of the DoD Homosexual Conduct Policy. Homosexual conduct is grounds for barring entry or continued enrollment in the SROTC Program. Homosexual conduct is a homosexual act, a statement that demonstrates a propensity or intent to engage in homosexual acts, or a homosexual marriage or attempted marriage. A homosexual act means any bodily contact, actively undertaken or passively permitted, between members of the same sex for the purpose of satisfying sexual desires and any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in such an act.
