1. Why are you the best candidate to represent National Guard youth within your region and what unique attributes will you bring to teen council?
2. Describe a time when you have used your leadership experience; this could be a youth service, school, or in your community. How would these skills serve to strengthen teen council?
3. Reflecting on your personal experience, what do you believe should be the role of teens in the military and/ or civilian community?
4. If you were to meet with National Guard Leadership, what would you share with them from your perspective as a leader on teen council?
5. If you could do anything to improve life for the National Guard teens nationwide, what would that be?
