1. Purpose. To promulgate administrative guidance for the New York Naval Militia (NYNM) in accordance with references (a) through (n).

2. Cancellation. This instruction supersedes NYNMINST 1001.1C of 23 FEB 2022.

3. Policy and Direction. New York Naval Militia will follow the guidance in the following areas:

a. Privacy Act Requirements. References (j) and (k) are intended to protect the rights of individuals from unwarranted collection, maintenance, use or disclosure of information. Providing privacy advice is mandated by both state and federal laws when personal information is collected.

b. Restrictions on activities of members.

(1) Members may not wear the uniform of the New York Naval Militia or otherwise represent themselves as a member of the New York Naval Militia for any gathering, function, or event that is for the benefit of an individual political candidate or a political party; a private corporation; unauthorized movement of organizational event; or a religious institution.

(2) Members may participate in uniform in ceremonial events as long as such representation does not endorse or appear to endorse host entities. Examples of acceptable events include funerals, veterans' appreciation ceremonies, military balls, and relief society events. Participation in ceremonial events requires prior notification and approval of DMNA (through NYNM headquarters).

(3) With the exception of the events shown in subparagraph b.(2) above, at no time shall the uniform of the New York Naval Militia be worn by any person unless acting in an official capacity of the organization. Official status is identified by the member being on State Active Duty (SAD) orders.

(4) New York Naval Militia equipment and personnel assets are not to be used for the benefit of a private individual or corporation, unless authorized by The Adjutant General or his/her representative.

c. Physical and Medical Requirements are found in reference (1).

d. Requirement to Report Change in Status. Members of the New York Naval Militia are required to keep their unit point of contact, region and NYNM Headquarters informed of any change of status that may affect their ability to perform any assigned duty. The following areas of concern must be reported, with supporting documentation if required, as soon as possible to Naval Militia headquarters and/or unit point of contact, or regional commander:

- (1) Discharge, separation, retirement from a federal reserve component.
- (2) Change to home address, phone numbers, and email address.
- (3) Change in physical or medical status.
- (4) Change in rank, rate, or paygrade.
- (5) Change to drilling Reserve unit and/or location.
- (6) Change to dependency status or number.
- (7) Felony conviction or DUI/BUI conviction.

e. Recruiting. Members who are responsible for referring new accessions into the New York Naval Militia are eligible for the New York State Recruiting Medal in accordance with reference (e). The referring individual's name is to be included on the recruit's application for enlistment, or nomination for commission form.

f. Accession. Accession is the act of initial enlistment or commissioning. Accession into the New York Naval Militia is guided by the following principles.

- (1) End Strength. The end strength of the New York Naval Militia is established by The Adjutant General. By law, 95% of the force must be members of the Reserve forces of the United States Navy, Marine Corps, or Coast Guard, and they constitute the Federal Component List (FCL). No more than five percent may be members on the State Active List (SAL). Personnel

assigned to the In-active List (IAL) do not count against end-strength.

(a) The Federal Component List (FCL) includes those NYNM members who are also members of the Reserve forces of the United States Navy, Marine Corps, or Coast Guard. These include any members that are under some type of obligation to a federal component.

(b) The State Active List (SAL) includes non-retired veterans.

(c) Officers of the Naval Militia may not be forcibly separated prior to their 68th birthday without the Governor's approval. However, they may be placed on the In-active List (IAL) until such time that they are required to be placed on the State Retired List. Personnel who do not meet participation or medical requirements but have also not requested retirement shall be placed on the IAL. IAL personnel shall not be considered part of the FCL or SAL.

(2) Basic eligibility. Basic eligibility criteria for membership in the New York Naval Militia include:

(a) Age: 18 - 67 years.

(b) Citizenship requirements

1. Enlisted: United States citizen, or applicants who have made a declaration of intent to become citizen of the United States.

2. Commissioned officers and warrant officers: United States citizen.

(c) Residency: All newly accessed members of the New York Naval Militia must be legal residents of New York State or be a drilling Reservist who's primary (administrative) drilling location is located within New York State. Any current, former member or qualified applicant who subsequently changes legal residence or administrative drilling location to a location outside of New York State is eligible to be a member of, or enroll in, the New York Naval Militia, as long as all other eligibility criteria are met.

(d) Education requirements

1. Enlisted and warrant officer: High school graduate or General Educational Development (GED) diploma.

2. Commissioned officers: Bachelor's degree or be, or have been, a commissioned officer in either the United States Navy, Marine Corps, or Coast Guard (not including USCG Auxiliary), or their respective Reserve.

(e) Persons with a felony conviction are not eligible for membership.

(3) Enlisted persons complete NYNM FORM 100 A/B, Application for Enlistment.

(4) Officer applicants complete NYNM FORM 101 A/B, Nomination for Commission.

(5) Minimum required documentation to affiliate with the New York Naval Militia includes the application package, and a copy of the applicant's federal Leave and Earning Statement (LES), DD-214, or any DD-215 issued. If the applicant holds a valid driver license or non-driver identification, that shall be provided as well. Depending on status, additional forms may be required. See NYNM FORM 1121 for details.

(6) In general, personnel will not be affiliated with the Marine Corps Component unless they are prior service U.S. Marines. Personnel will not be affiliated with the Coast Guard Component unless they have prior U.S. Coast Guard service.

(7) Persons submitting applications to affiliate with the New York Naval Militia who are not currently members of the Federal Reserve Components will be reviewed by a Committee of Accession. The Committee of Accession will be appointed by the Commander, New York Naval Militia. The committee will determine if there is a need for the individual's knowledge, skills and abilities in the New York Naval Militia. If the Committee establishes that there is a need for the individual then they will determine if the member is eligible to affiliate with the New York Naval Militia and if so, assign a component, rating or community, and accession pay-grade.

(8) Commissioned officer candidates must hold or have held and paid in a federal commission from one of the following components: U.S. Air Force, Army, Coast Guard, Marine Corps,

Navy, National Oceanic and Atmospheric Administration, Public Health Service, or Space Force, or any of their reserve components. Persons who have prior enlisted service in the U.S. Coast Guard, Marine Corps, or Navy are eligible to seek a commission in the New York Naval Militia if they already hold a federal commission in another component (such as the National Guard). Upon recommendation of the Committee of Accession and approval of the Commander, the candidate may wear the commissioned officer uniform of the assigned component (Coast Guard, Marine Corps, or Navy). In these specific cases where a former enlisted member seeks a New York Naval Militia commission, the Committee of Accession must include at least one member of the assigned component, senior in rank to the grade sought by the candidate.

(9) Persons who have prior enlisted service in the U.S. Coast Guard, Marine Corps, or Navy are eligible to seek rank equivalent to their last paid federal paygrade held in any federal component (i.e., National Guard). For those who have achieved federal paygrade of E7 - E9 in either the U.S. Army, U.S. Air Force, U.S. Space Force, or any of their reserve components, they may enlist in the New York Naval Militia in grade E6 of their assigned component (Coast Guard, Marine Corps, Navy). Upon satisfactory completion of senior enlisted training, they may be instated in the grade of their last-held federal rank.

g. Establishment of rank/rate/designator/MOS. Upon accession into the New York Naval Militia, a new member is assigned rank, and or rate based on the last or most current rank paid in the federal component.

(1) Establishment of pay entry base date (PEBD) is based on a member's federal PEBD. Any periods of broken service between federal and state service will cause the PEBD to be adjusted. Only those periods while under federal and/or state service count towards the PEBD.

(2) Computation of creditable federal time towards PEBD includes:

(a) All time found on DD 214, including active duty and inactive duty time.

(b) All SELRES and VTU Reserve drill time. This information is typically found on an individual's point capture statement or similar document issued by the federal component.

(c) Periods of Individual Ready Reserve that do not include actual drills will not count towards calculation of state PEBD.

(3) Establishment of state entry base date (SEBD). This is the actual date of accession into the New York Naval Militia, or other state organized militia force. Any periods of broken state service will cause the SEBD to be adjusted. The SEBD is not used for calculation of pay or benefits. It is used for calculation for Long and Faithful Awards.

h. Participation. Members of the federal Ready Reserve meet all NYNM participation requirements if they are a satisfactory driller in the federal component.

(1) Member must be current with all medical, legal, administrative, and drill requirements as set forth by the member's Ready Reserve component.

(2) If contact with a member is lost, a completed copy of NYNM FORM 1040, Notice of Administrative Action is to be sent to the member's last known address. The member may have up to 90 days to resolve any issue addressed on Form 1040. Otherwise, the member is to be discharged (or moved to the Inactive List in the case of officers) from the New York Naval Militia.

i. Accession training. The New York Naval Militia does not hold any type of accession training. All veterans have gone through recruit or officer accession training, which suffices for NYNM purposes.

j. NYNM Identification Cards (DMNA FORM 55-N). In accordance with reference (b), Headquarters, NYNM has the capability to issue Naval Militia Identification Cards. New York Naval Militia Identification Cards are authorized for non-Ready Reserve members of the force. In other words, they are available for any member that does not hold a federal military identification Common Access Card (CAC). Expiration dates of the NYNM Identification Cards shall be:

(1) Initial issue, 5 years or until 68th birthday, whichever comes first.

(2) Subsequent issues, every 10 years or until 68th birthday, whichever comes first.

k. Performance. NYNM members are to receive a periodic appraisal which reflects their fitness for the service and performance of their duties.

(1) For members of the Ready Reserve, the federal components provide this through the fitness report evaluation system.

(2) The person responsible for generating appraisals on non-Ready Reserve members is one of the following:

(a) Commander or Deputy Commander, NYNM

(b) Chief of Staff

(c) Commander of a NYNM region

Performance appraisal forms may be found in NYNMINST 1410.1 (series).

(3) Relief for Cause. In the event that the Commander, New York Naval Militia has determined that a member filling a NYNM billet has failed to properly carry out his/her duties, or otherwise caused the Commander to lose faith in the ability of the member to carry out assigned duties, that member may be relieved of duties and re-assigned out of the billet.

l. Counseling of Personnel. Personnel that perform sub-par should be counseled in an attempt to resolve issues that prevent the individual from reaching their maximum potential. Counseling should be documented, and a record of counseling should be placed in the member's service jacket at headquarters. Counseling not only informs an individual of performance or other issues, but also offers possible courses of resolution. Use NYNMFORM 1620 to document counseling.

m. Promotion and Advancement. Promotion in the New York Naval Militia does not affect a member's federal retirement status or reserve point accrual.

(1) Officers and enlisted personnel of the Federal Component List (FCL), who are also members of the federal Ready Reserve, are eligible for coincident promotion in the New York Naval Militia if they are promoted or advanced in their respective federal component.

(2) Personnel promoted in the federal component may decline coincident promotion in the New York Naval Militia.

(3) Officers and enlisted personnel of the State Active List (SAL), or of the Federal Component List (FCL), who are not members of a federal Ready Reserve, are eligible for promotion within the New York Naval Militia only. Reference (i) provides detailed procedures regarding NYNM promotions.

n. Discharge, Retirement, Separation. Discharge and separation are the act of leaving the New York Naval Militia without transfer to either the State Reserve List or State Retired List. Officers or enlisted members who are under federal contract and subsequently leave federal service are automatically separated from the New York Naval Militia. Persons are eligible to re-affiliate with the NYNM after discharge or retirement from the Ready Reserve. Personnel requesting discharge, or retirement, may submit NYNM FORM 1900 requesting separation.

(1) Transfer to State Reserve List. Persons are eligible for transfer to the State Reserve List, upon member's request, in accordance with reference (f). The State Reserve List is for eligible members who are not eligible for the State Retired List, but who otherwise feel they cannot participate as an active member due to incapacitation or other reason.

(2) Transfer to State Retired List. Officers that reach the age of 68 years are transferred to the State Retired List, in accordance with reference (f). They are no longer eligible for SAD or other entitlements.

(3) Separation for cause. Guidance for the separation of enlisted personnel is promulgated in a separate NYNM policy instruction.

o. Correspondence. Official New York Naval Militia correspondence is done in accordance with the standards of the Department of the Navy.

(1) Correspondence Standards. The guidance found in reference (g) shall be used for drafting NYNM correspondence.

(2) Use of Standard Subject Identification Codes (SSIC). SSIC are established by reference (h) and form the basis of correspondence coding for all NYNM instructions, forms, notices, and letters.

(3) Letterhead. Official command-level NYNM correspondence is placed on New York Naval Militia letterhead, which appears here:

STATE OF NEW YORK
DIVISION OF MILITARY AND NAVAL AFFAIRS
NEW YORK NAVAL MILITIA
330 OLD NISKAYUNA ROAD, LATHAM, NEW YORK 12110

(a) Letterhead is in dark or navy blue, with Arial Narrow and Niagara Engraved font. The New York Naval Militia blue and white logo is placed in the left margin of the letterhead. Electronic versions of the logo may be obtained from Headquarters, New York Naval Militia.

(b) The Commander and Deputy Commander may establish their own personal letterhead.

(c) Regional and operational subordinate commands may use their own version of the above letterhead, modified with the command name below the New York Naval Militia title, and with a local address.

(4) Authorized signatures. The only persons authorized to sign command-level letterhead correspondence are the Commander and Deputy Commander, New York Naval Militia, or persons granted "By direction" authority by the Commander. Regional and operational commanders are authorized to sign correspondence originating from their commands, and to grant "By direction" authority within their commands.

p. Procurement and fiscal.

(1) New York State Division of Military and Naval Affairs (DMNA) uses New York State credit cards to pay for most services. Dedicated credit cards for each boat or vehicle are to be used only for the benefit of the individual piece of equipment, unless prior DMNA Budget and Finance Directorate

(MNBF) approval is granted. Personal services cannot be paid for using the boat or truck credit cards.

(2) MNBF issues periodic bulletins that may affect fiscal policy and purchasing procedures. Adherence to these bulletins is mandatory.

q. Training administration. Training is an important part of force readiness to perform assigned missions. Personnel who are responsible for completing training and qualifying personnel in various mission areas are to forward records of completion to Headquarters, NYNM, in order that the information is entered in the NYNM database and member's service jacket.

r. Civilian Military Skills. Most NYNM members have acquired skills in their civilian capacity, as well as those skills learned during military service. These various skills may serve the New York Naval Militia and the State of New York in many ways. It is extremely important that Headquarters, NYNM maintain an accurate record of the skills held by its members. The Civilian-Military Skills Questionnaire is to be completed and submitted by all members upon accession and whenever changes occur.

s. Awards

(1) New York Naval Militia members are eligible for New York State awards, in accordance with reference (e). Members in the chain of command may initiate state awards processing at any level. The final approval for an award rests with The Adjutant General or his/her representative.

(2) New York Naval Militia members may be eligible for federal awards. Rules governing eligibility for specific federal awards are established by the federal component. Federal awards must be initiated by a federal component or agency. The New York Naval Militia cannot initiate federal awards.

(5) Procedures for use of NYNM vehicles.

(a) NYNM vehicles are for official use only. If the vehicle is assigned to an expeditionary mission, where it is the only means of transportation, the vehicle may be used for transportation to dining-facilities and other necessary travel.

It is incumbent upon Naval Militia membership to promote NYNM and DMNA activities across the state. Interactions with local and regional media outlets are to be coordinated with

MNPA. Interviews with and stories related to the NYNM to be placed with the media, must receive prior approval by MNPA.
