4. ABBREVIATIONS.—The abbreviations authorized in the preparation of the pay roll may be used on the muster roll.
5. EXTRA SHEETS.—If additional space be found absolutely necessary, the roll will be enlarged by stitching into the middle of it an extra sheet or sheets, Form No. 61-1, A. G. O., provided for that purpose. Under no circumstances will half sheets be used or pieces of paper be attached to the roll. Paper fasteners, wire, or paste will not be used in joining the sheets of the roll.
6. USE OF TYPEWRITER OR LEAD PENCIL IN THE PREPARATION OF ROLLS.—The preparation of muster rolls on a typewriting machine is authorized provided a black record ribbon of standard quality is used. The original copy of the roll will be forwarded to The Adjutant General's Office. Carbon copies of rolls will not be forwarded to that office. Rolls will not be prepared or signed with lead pencil of any kind.
7. DOTS AND "DITTO".—The use of dots and the word "ditto" is prohibited.
8. RULED COLUMNS.—The ruled columns will not be used for purposes other than as stated in these instructions or indicated in the printed headings.
9. CORRECTION OF ROLLS.—Corrections on muster rolls, after muster and before they have been forwarded to The Adjutant General of the Army, will only be made with the approval of the mustering officer. Retained rolls will not be changed until authority therefor has been obtained from The Adjutant General.
10. DETACHMENTS.—This roll will not be used to muster detachments.
11. DISPOSITION MADE OF ROLLS.—Within three days after each bimonthly muster, the mustering officer will forward to The Adjutant General of the Army a copy of the muster roll of each company, battery, troop, or detachment. A duplicate of the muster roll will be retained. Blanks will be supplied from the Adjutant General's Department. The roll for The Adjutant General's Office will be folded evenly in three folds, with the brief on the outside. It will not be folded or creased to fit an envelope, but will be mailed in an envelope of the proper size or in a wrapper made especially for the purpose.

A SHEET OF MODEL REMARKS WILL BE FURNISHED UPON APPLICATION TO THE ADJUTANT GENERAL OF THE ARMY.

O., provided for that purpose. Under no circumstances will half sheets be used or pieces of paper be attached to the roll. Paper fasteners, wire, or paste will not be used in joining the sheets of the roll.
6. **USE OF TYPEWRITER OR LEAD PENCIL IN THE PREPARATION OF ROLLS.**—The preparation of muster rolls on a typewriting machine is authorized provided a black record ribbon of standard quality is used. The original copy of the roll will be forwarded to The Adjutant General's Office. Carbon copies of rolls will not be forwarded to that office. Rolls will not be prepared or signed with lead pencil of any kind.
7. **DOTS AND "DITTO."**—The use of dots and the word "ditto" is prohibited.
8. **RULED COLUMNS.**—The ruled columns will not be used for purposes other than as stated in these instructions or indicated in the printed headings.
9. **CORRECTION OF ROLLS.**—Corrections on muster rolls, after muster and before they have been forwarded to The Adjutant General of the Army, will only be made with the approval of the mustering officer. Retained rolls will not be changed until authority therefor has been obtained from The Adjutant General.
10. **DETACHMENTS.**—This roll will not be used to muster detachments.
11. **DISPOSITION MADE OF ROLLS.**—Within three days after each bimonthly muster, the mustering officer will forward to The Adjutant General of the Army a copy of the muster roll of each company, battery, troop, or detachment. A duplicate of the muster roll will be retained. Blanks will be supplied from the Adjutant General's Department. The roll for The Adjutant General's Office will be folded evenly in three folds, with the brief on the outside. It will not be folded or creased to fit an envelope, but will be mailed in an envelope of the proper size or in a wrapper made especially for the purpose.
