1. NAMES TO BE ENTERED ON ROLLS.

(a) **Members of the company or detachment.**—All officers and enlisted men will be taken from the rolls from the date of receipt of notice of their assignment, whether or not they have been mustered, and will be entered in the following order: (1) commissioned officers belonging to the organization in order of rank; second noncommissioned officers in order of grades given in paragraph 9, A. R., 1913, the names under each grade heading appearing in the order of the dates of warrant; third, all others, except buglers, privates, first class, and privates, in alphabetical order of grade; fourth, buglers, fifth privates, first class; sixth, privates. The names of the men under each grade heading, except noncommissioned officers, will appear alphabetically. Lance corporals will be carried under the heading of privates, first class, or privates. The names and the grade headings, which will precede the names, will follow one another without interval, except when made necessary by the use of two or more lines in the column for "Remarks" under a name. In all cases the last name will be written first, e. g., Smith, John, not John A. Smith.

(b) **Attached officers.**—The names of officers attached to a company or detachment will be entered on the rolls immediately below the names of officers belonging thereto.

(c) **Attached enlisted men and casuals.**—The names of enlisted men attached to or casually with a company will not be borne on the rolls of such company, but on separate detachment rolls. The names of men of different regiments, fort commands, corps, or departments, will not be borne on the same detachment roll.

(d) **Those who have ceased to belong to the command.**—The names of enlisted men of a company or permanent detachment will be immediately followed by the names of those who have ceased to belong thereto since last bimonthly muster. They will be classed in the following order: (1) Discharged, (2) furloughed to the reserve, (3) transferred, (4) died, (5) retired, (6) deserted, and (7) dropped. Under each heading the names will appear in the order prescribed above for members of the company or detachment.

(e) **Soldiers discharged and reenlisted.**—The names of soldiers that have been discharged from the company or detachment since last bimonthly muster and reenlisted will be placed in the body of the roll, as well as under the heading "Discharged." See also "Desertion," par. 2 (p).

2. REMARKS.

In the column of "Remarks" opposite the name of the person concerned will be stated:

(a) **Absence of officers.**—The nature of absence and dates of departure and return, with number and source of order. (No other remarks are required in the case of an officer, as his complete record is shown on the monthly returns.)

(b) **Assignment.**—The date any assignment takes effect.

(c) **Date of joining.**—The date that an enlisted man joins, whether originally or from any absence, and if originally, the source of gain. See "Transfer" (m).

(d) **Change of rank or grade.**—All changes of rank or grade. In case of appointment, the number, date and source of order, or date and source of warrant, will be stated; in case of reduction, the date of receipt of order at soldier's station will also be stated.

(e) **Absence of enlisted men.**—All cases of absence of twenty-four hours or more, the nature of absence, dates of departure and return, with numbers and sources of orders, or description of authority therefor. The place of absence will also be stated except in case of furlough or absence without leave. If absent on furlough at date of muster, the period authorized will be stated. If the absence continues, the remarks on subsequent rolls will be limited to a statement of the nature and date of commencement of the absence and a reference to the first roll bearing the entry. Inability to perform duty through disease, etc. (A. W. 107), will not be noted except as provided under "Discharge" k (4), and "Furlough to the Reserve" (1).

(f) **Courts-Martial.**—All sentences of courts-martial, with dates of approval and, except in cases of summary courts, the numbers and sources of orders promulgating same.

(g) **Confinement.**—All cases of confinement with dates, and when by civil authority the nature of the offense, whether prisoners have been held for trial, tried, or discharged without trial, and, when tried, whether acquitted or convicted.

(h) **Injuries or wounds.**—All injuries or wounds received during the period covered by the roll, and whether or not contracted in line of duty. Sickness other than that resulting from injuries or wounds will not be stated.

(i) **Medal of honor and certificate of merit.**—On the first muster roll after receipt of notice of the award of a medal of honor or a certificate of merit, the fact of the award, together with the date of the engagement and the cause of the award, will be noted.

(k) **Discharge.**—Opposite the name of every soldier discharged will be noted (1) whether he was "honorably discharged," "discharged and not recommended for reenlistment," or "dishonorably discharged;" (2) date, place, and cause of discharge, and if discharged prior to expiration of term of service, the number and source of order, or description of authority therefor; (3) character given on discharge certificate, and (4) if retained in the service beyond the period for which enlisted, as indicated by the dates of enlistment and discharge, the cause for such retention will be stated. (n) **Death.**—Date and place of death.

(o) **Retirement.**—Date and place of retirement, and number and source of order.

(p) **Desertion.**—Date and place of desertion. Soldiers that have deserted since last bimonthly muster will be dropped under heading of "Deserted" at the foot of the roll, even if they have been returned to military control.

(q) **Return of deserter to military control.**—Date and place of return to military control; whether deserter surrendered to or was apprehended by the military or civil authorities, and in the latter case the date of surrender or apprehension, will be noted on the first roll. On subsequent rolls, until the result of the trial has been published, or the case otherwise disposed of, will appear the remark "Awaiting trial (or result of trial) for desertion." See roll

for ———, 191—. On the rolls following the final disposition of the case will appear the data given on the first roll, and also the date, with number and source of the order announcing the man's return to duty or the result of the trial, including nature of offense of which convicted. (Note.—The restoration to duty of a deserter by competent authority, namely, by the commander who would be authorized to direct that he be brought to trial, can be ordered only in case the desertion is admitted, and must not be confused with the removal (by the order of such commander or the War Department) of a charge of desertion erroneously entered on the rolls against a soldier.—See pars. 131, A. R., 1913, and 43, C. of O., 1881-1903.)

(r) **Desertion and fraudulent enlistment.**—(1) Upon the apprehension or surrender of the soldier there will be noted on the first roll of the organization from which he deserted the date of apprehension or surrender, the name under which he fraudulently enlisted, and the place where confined awaiting trial; and on roll of organization in which serving fraudulent enlistment, the date of apprehension or surrender, the organization from which soldier deserted, and the name under which he served therein. Under no circumstances will half sheets be used or pieces of paper be attached to the roll. Paper fasteners, wire, or paste will not be used in joining the sheets of the roll.
