

Saratoga Spring Feb 25th 1864

My Dear Grandmother

I now seat
myself to address a few
lines to you we are all
well and hope you are
the same we have been
looking for you down every
day but we do not see
you yet we have not
heard any thing from
you since you was
down here

The reason we have
not written to you
before is that we have

wanted wanted to get
a letter from Aunt Ann
we received a letter from
from her the night before
last she was well and
she is coming home
the last of next week
come down as quick
as you can —

no more at present
so good bye from

From Ellen &
Lathan
