

Many of the officers and men now at McAllen and other encampments are drinking *White-Rock* exclusively.

Avoid the deleterious effects of the local strongly alkaline water by drinking *White-Rock*

*White-Rock* with a dash of lemon will instantly quench your thirst.

*White-Rock* is grateful to a deranged stomach. By drinking it you avoid the bad effects often induced by over-indulgence in pop and other soda-fountain preparations, especially if they be served under untoward conditions.

We are receiving many orders from home-friends of the officers and men now on the Border for *White-Rock* to be delivered directly to them, at their camps.

*White Rock* freshly bottled at the Spring, is procurable of all the grocery, drug and bottle trade in all the encampment points.
