9910 Blewett Avenue
Niagara Falls, NY 14304-6001

UNIT: 107th Medical Group

POSITION TITLE: DENTIST

MAX AVAILABLE GRADE: LTC

ANNOUNCEMENT #: NF 22-10

DATE: 11 May 2022

CLOSING DATE: 10 August 2022

AFSC: 47G

AREA OF CONSIDERATION: Nationwide

All candidates may apply who meet the basic qualifications for this position and who are eligible for membership in the NYANG.

SPECIALTY SUMMARY

(As outlined in AFOCD 30 April 2022, Changed 30 April 2016, Effective 03 February 2016

Examines, diagnoses, and treats diseases, abnormalities, injuries, and dysfunctional disorders of the oral cavity and its associated structures. Administers dental service policy, including establishing and maintaining dental health standards. Related DoD Occupational Group: 260311.

QUALIFICATIONS AND SELECTIONS FACTORS

Selection for this position will be made without regard to race, religion, color, creed, gender, or national origin.

Applications are subject to review by the FSS Commander. If all mandatory requirements are met, applicants must meet an Interview Board.

The requirements and qualifications prescribed in this announcement are the minimum for this position.

Appointment is not assured merely by meeting these requirements. Applicants considered must qualify with the requirements outlined in AFMAN 36-2032.

DUTIES AND RESPONSIBILITIES:

2.1. Examines, diagnoses and treats disease, abnormalities, injuries and dysfunctional disorders of the oral cavity and its associated structures. Examines patients and interprets radiographs and diagnostic tests to determine type and extent of dental diseases and disabilities or dysfunctions. Evaluates findings and prescribes type, extent, and order of treatment. Refers nondental problems to appropriate medical specialty. Restores health and function of carious, fractured, otherwise defective teeth. Performs routine preventive, periodontal, oral surgery, endodontic, and prosthodontic treatment. Provides consultation services.

2.2. Directs dental activities. Formulates and implements procedures for operation of base dental service. Determines requirements for material, equipment, facilities, and personnel to accomplish mission of unit. Coordinates dental activities with medical service. Instructs dental officers and technical assistant in professional and administrative functions of dental service.

2.3. Performs comprehensive dental functions. Performs complex dental treatment procedures in the absence of specialist. May serve as training director or instructor for general dentistry residency programs.

2.4. Manages and administers dental service policies and programs. Drafts policies covering dental health standards. Provides guidance for the implementation of comprehensive programs to continuously improve prevention and treatment of dental disease to ensure maximum personnel wartime readiness and combat capability. Determines resource requirements for dental clinics and laboratories.
