ANNOUNCEMENT #: NF 24-11

DATE: 8 May 2024

CLOSING DATE: 27 June 2024

AFSC: 40C0

AREA OF CONSIDERATION: **NATIONWIDE**
Colonel/Lt Col immediately promotable to Colonel

All candidates may apply who meet the basic qualifications for this position and who are eligible for membership in the NYANG.

SPECIALTY SUMMARY

(As outlined in AFOCD 30 April 2023, Changed 30 APR 17)

Commands Medical Groups. Serves as chief staff advisor to line commanders. Related DoD Occupational Group: 260100260518

QUALIFICATIONS AND SELECTIONS FACTORS

Selection for this position will be made without regard to race, religion, color, creed, gender, or national origin.

Applications are subject to review by the FSS Commander. If all mandatory requirements are met, applicants must meet an Interview Board.

The requirements and qualifications prescribed in this announcement are the minimum for this position.

Appointment is not assured merely by meeting these requirements. Applicants considered must qualify with the requirements outlined in AFMAN 36-2032.

DUTIES AND RESPONSIBILITIES:

2.1. Commands medical units. Commands resources engaged in health care. Responsible for personnel required to carry out base health care services. Determines health care requirements by analyzing mission and interpreting directives, orders, and instructions. Formulates plans, and establishes policies and procedures for delivering health care services and assures health care support for mission accomplishment. Implements programs such as total force training and disaster preparedness. Directs studies and surveys to determine perceptions of personnel. Implements measures to resolve problems and eliminate conditions contributing to low morale.

2.2. Directs health care activities. Supervises and directs assigned resources to provide quality health care services. Arranges quality civilian health care services when more cost effective than those available through the military facility or other federal resources. Ensures medical support to meet requirements placed on medical units when personnel are under operational control of the medical commander. Develops medical portion of base plans to provide medical support to wing and installation. Trains health care personnel. Advises installation commander on scope of available health care services, health care and services required by host-tenant agreements, health of personnel, and health protection requirements and measures.

2.3. Coordinates health care service activities. Conducts staff meetings, convenes, and appoints boards, councils, and committees to assist in managing assigned activities. Coordinates training, support, and use of medical units and activities. Coordinates with local health care agencies. Participates in civilian community health planning process. Determines medical treatment facility role within health service area.
