McLANE FOODSERVICE ALBANY: INVENTORY CYCLE COUNTER

This position is responsible for insuring the accuracy of the perpetual inventory through the prescribed period counts, research of inventory variances found, maintenance of product location integrity, and monitoring of general product physical and shelf life integrity.

MINIMUM QUALIFICATIONS AND REQUIREMENTS

- High School diploma or GED
- At least one year of recent warehouse experience required, preferably with some inventory experience
- Experience with computers and/or inventory programs as well as proficiency with Microsoft Office, specifically excel
- Must be able to work with limited supervision and be self-motivated
- Must be detail oriented with strong analytical and mathematical skills(adding, subtracting, multiplying, etc.) as they relate to inventory reconciliation
- Ability to work in all temperatures (freezer/cooler/dry) for extended periods of time
- Pallet jack & Forklift certification/experience (in-house training will also be provided)
- Ability to lift 50 pounds regularly utilizing proper lifting techniques
- Excellent verbal and written communication skills
- Flexibility to work weekends and holidays on occasion as needed

WORKING CONDITIONS

- The environment encompasses all areas of a Distribution Center.
- This position may require work in hot and cold temperature extremes and exposure to dust, dirt, fumes, noise, potentially harmful chemicals, solvents and components, and working in close to proximity to other teammates.
