

# Eaton is hiring in Syracuse, NY! Come Join a Great Team!

*Powering Business Worldwide*

## **Don't Work for a Good Company, Work for a Great Company**

Eaton is a power management company with 2017 sales of \$20.4 billion. We provide energy-efficient solutions that help our customers effectively manage electrical, hydraulic and mechanical power more efficiently, safely and sustainably. Eaton is dedicated to improving the quality of life and the environment through the use of power management technologies and services. Eaton has approximately 96,000 employees and sells products to customers in more than 175 countries. At Eaton we see things differently. We see opportunities to innovate, go above and beyond, and we work hard because what we do reflects who we are. If you see things differently - if you're determined, motivated and focused on improving the world around you - then it's time to see where a career at Eaton can take you!
