Strong Choices for Leadership

The NYARNG Substance Abuse Program not only provides four one-hour prevention education Briefings for your Soldiers but also provides a Briefing on helping Leadership deal with healthy Soldier living, and substance use and abuse. *Leading Well* is an hour-long Briefing that focuses on the challenges of being a leader when it comes to talking about the use of alcohol and other drugs with your Soldiers. In this hour we focus on the verbal and non-verbal actions Leaders may take to help educate their Soldiers about substance abuse and promote healthy living. The success of our Soldiers comes when Leadership is at its best! Please contact your local Prevention Coordinator for more information.
