MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Drug and Alcohol Abuse Policy

1. This policy is applicable to all members assigned to the State's Organized Militia, including the Army National Guard, Air National Guard, Naval Militia, New York Guard, and all State and Federal employees of the Division of Military and Naval Affairs (DMNA) and Joint Force Headquarters-NY (JFHQ-NY).
2. Alcoholism and other drug dependencies are illnesses characterized by varying degrees of loss of mental and physical control. All personnel must be well trained, physically fit and mentally alert. Alcoholism and/or drug related dependency or misconduct degrades both readiness and mission accomplishment and is potentially disastrous to the member or employee, his/her family, and the public's trust.
3. Our agency maintains a zero tolerance policy for substance-impaired personnel during the workday or military training. Each officer, non-commissioned officer, director and supervisor will ensure the following standards are clearly understood by their subordinates and enforced without exception:
 - a. Do not abuse alcohol.
 - b. Do not possess, distribute or use illegal drugs.
 - c. Do not abuse or illegally distribute controlled substances, prescribed drugs, or over the counter medications. If a medication was not prescribed by a physician for you – don't use it!
 - d. Do not condone such activities in your unit or office.
4. Soldiers, Airmen and our Federal and State employees have access to quality assistance and referral programs if needed. Appropriate agents ready to help are as follows:
