

## WHAT'S NEW

### DRIVER'S TRAINING TOOLBOX

The U.S. Army Combat Readiness Center developed the Driver's Training Toolbox to assist commanders, examiners and instructors in the management of driver training. The toolbox provides a central location for the materials necessary to establish and maintain an effective driver training program.

# Convoy Hazards

Have you ever seen a convoy of military vehicles on your local interstate and wondered where they were going? Did you question whether you could cut into the formation to get into a faster lane? That was an issue I experienced when an impatient civilian motorist nearly caused a fatal accident during a convoy movement last year. (Full story at the link below)
