INSTRUCTIONS to the EMPLOYER: The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave to care for a covered family member with a serious health condition to submit a medical certification issued by the health care provider of the covered family member. Please complete Section I before giving this form to your employee. Your response is voluntary. SECTION III: For Completion by the HEALTH CARE PROVIDER

INSTRUCTIONS to the HEALTH CARE PROVIDER: The employee listed above has requested leave under the FMLA to care for your patient. Answer, fully and completely, all applicable parts below. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the patient needs leave. Page 3 provides space for additional information, should you need it. Please be sure to sign the form on the last page.
