

CERTIFICATION OF ESTIMATED COST ALLOCATION PLAN

This is to certify that I have reviewed the cost allocation plan(s) submitted herewith and to the best of my knowledge and belief:

All costs included in this proposal, effective 1 October 2018, to establish billings for federal fiscal year 2019 are allowable in accordance with State and Federal requirements to which they apply.

All costs included in this CPP are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the awards to which they are allocated in accordance with 2 CFR Part 225. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.
